THE GIFT OF GRACE

Greetings Partners and Friends:

As we are approaching the end of another month, May has been filled with many activities. . In the business of this month, we did not forget our partners, who we like to keep abreast of “What’s Happening” at the ministry, This month we have been involved with many activities such as; celebrating Mother’s Day; and praying that all the mothers were showered with much love and appreciation. We spent time celebrating senior month at Ignite Medical Resort in Hanover Park, and had a glorious time with the seniors. We enjoyed and celebrated another Pentecostal Sunday, in remembrance of our Risen King. And of course, we are praying for all of the men and women, who gave of themselves to serve this country on the front lines and even behind the scenes to protect our country. We would like to extend a heartfelt thank you and wish everyone Happy Memorial Day. May is a month for many celebrations and awareness. And to name a few, this month is Mental Health Awareness, Teacher Appreciation and for some Cinco de Mayo, etc.

This brings me to remind YOU, our readers that May is also the fifth month of the year and the number five (5) is representative of GRACE. Our inspirational scripture for this month Ephesians 2:8 (Amplified Bible) – For it is by grace [God’s remarkable compassion and favor drawing you to Christ] that you have been saved [actually delivered from judgment and given eternal life] through faith. And this [salvation] is not of yourselves [not through your own effort], but it is the [undeserved, gracious] gift of God.

As a reminder, Grace is defined as unmerited favor. God gives us what we do not deserve, that something we did nothing to earn and would never ever be able to repay. Grace is a free gift to us but was an extremely high price for God, HIS only begotten son. In other words, Grace equals God’s Riches At Christ’s Expense. There are two main examples of what the grace of God looks like. The best way to look at this revelation is to look at it like you are looking at a two-side coin. On one side the grace of God is the “unmerited favor and mercy” of God extended to man. This is the grace in which we are saved according to Ephesians 2:8-9.

The other side of this same coin is the Grace of God that refers to the divine life, power and ability of God that flows and operates through us. This aspect of God’s grace is the kind of grace we need to properly function and operate in whatever He has called us to do for Him in this life. We must remember too that Grace is a gift and our faith activates what has been made available because of Grace. Grace is God’s heart revealed and shows the characteristic of who He is, LOVE... If a man has grace, he also has God, for God dwells in him in the Person of the Holy Spirit who sheds HIS love abroad in our hearts.

Grace is a gift and the New Testament word for gift (Charisma) has often been translated as grace. All of God’s gifts reflects His grace, and the fact that they are gifts means that they are free and cannot be earned. The theology of grace is rooted in the Old Testament idea of God’s favor, which is shown to those who did not deserve it.

The psalmist often pleads for grace or God’s favor. This might take the form of a cry for comfort in a time of affliction, forgiveness of sin or rescue from one’s enemies (Psalms 25:16-20) This may also look like mercy, but God’s grace is a gift and is always sufficient. There may even be a power of disparity between the one who shows grace and those who experience it.

God's grace is the foundation of the believer's salvation. We are saved not because of the righteous things we have done but because God has shown us mercy through Jesus Christ (Titus 3:5). Salvation is by grace because it is a gift. The biblical concept of grace includes the idea of a dynamic power that enables those who have been saved to live the Christian life and serve God. The Apostle Paul saw this power as the explanation for his own ministry and its success. He worked harder than others because the Grace of God was "with" him. As mentioned in 1 Corinthians 15:10 (Amplified Bible) - "But by the [remarkable] grace of God I am what I am, and His grace toward me was not without effect. In fact, I worked harder than all of the apostles, though it was not I, but the grace of God [His unmerited favor and blessing which was] with me."

Our efforts to serve God and others may be compared to the gifts a child might give to a parent using the money that the parent gave them for the purchase. The gifts we give to God, in the natural may be viewed as re-gifting. Both the opportunity and the ability to serve Him and others are matters of grace. Because of this, our efforts are not really ours. They are a result of God working through us (Ephesians 3:20). This is God working in us to will and to act in order to fulfill His good purpose (Philippians 2:13) The believer's life is a life of grace from beginning to end. We enter it by grace, we live it by grace and we receive rewards by grace.

To name a few, there are gifts of Grace provided to us by God, as listed below, but are not limited to:

- Gift of Redemption at Christ's Expense - Jesus came to redeem those who were under the law, to become and be received as sons/daughters by adoption.
- Gift of Restoration at Christ's Expense - We have been given everything back that the enemy has stolen. Christ came that we have life and have it more abundantly.
- Gift of Righteousness at Christ's Expense - We have been made the righteousness of God through the blood of Jesus Christ.
- Gift of Release at Christ's Expense - We have been forgiven and released from every yoke of bondage. His yoke is easy and his burden is light.
- Gift of Rest at Christ's Expense - We can now rest in God, so that we can see the rest of God. As we keep our minds on God, he gives us a perfect peace that goes far beyond man's intellect.

GRACE is also an acronym representing these five characteristics:

- G is for generosity, the will to do something more for others.
- R is respect, the dignity of life and work.
- A is action, the mechanism for change.
- C is compassion, the concern for others.
- E is energy, the spirit that catalyzes us.

The Grace of God helps us every single day. It is a gift of God given to us through His son Jesus Christ. It is God's enabling power and spiritual healing offered through the mercy and love of His dear son. It is the Glory of God's grace that He devised a plan to be back in fellowship with mankind. Thanks be to God for the Amazing Gift of Grace. We pray that you have enjoyed the 5th edition of our newsletter. May you and your family continue to be blessed by Grace and experience God's uncommon favor in all things as you continue to Walk by Faith and Not By Sight.

Yours in Christ,
Apostle Tiffany L. Robinson

For by

you have been saved through
