What are the skills and expertise of the members of the institution/organization?

Association managers and member personnel are people who have received Project cycle training from the European Union Delegation to Turkey, National Agency and Development Agencies and have all the documents proving that these trainings have been taken. Personnel related to the projects

have been involved in many projects within the scope of Erasmus Plus and have experience in project writing, implementation and dissemination. Our association, which consists of people who have taken part in projects and shared information in European Union countries, consists of people with knowledge and experience in many different fields.

Mahmut KILIÇ, Chairman of the Board of Directors, works as the provincial coordinator of AFAD Volunteering in Sakarya Provincial Directorate of Disaster and Emergency, and carries out the coordination of Development Agency, TÜBİTAK, Ministry projects, UDAP projects and Erasmus+ projects in the project and R&D unit of Sakarya AFAD Provincial Directorate. Mahmut KILIÇ, who has received training on trainer training, project cycle, and civil society development from the Turkish National Agency, MARKA Development Agency, Experiential Education Center, Learning Designs Center, HABİTAT Association, International Children's Center, has been involved in many local, national and international projects. After receiving advanced level Disaster Awareness Trainer Training, CBRN training, Financial Literacy Trainer Training, Non-formal Education Methods Trainer Training, Experiential Training Methods Trainer Training, she took part in the Civil Think EU Program expert pool and continued her expertise until February 2019.

Our Board Member Hasip Cana is the head of the Tourism Animation program of Sakarya University of Applied Sciences, Travel-Tourism Entertainment Services Department. Hasip CANA, who completed his doctorate, has been carrying out civil society studies as a youth worker and took part in many academic and social projects, besides his academic identity, since 2014. Hasip CANA, who takes an active role in TÜBİTAK projects, also works as a TÜBİTAK project consultant at Sakarya University Technopark unit.

Our board member Yasin Ömür graduated from Sakarya University, Department of Geography, and has been working on Geographic Information Systems for a long time. Disaster Does Not Listen! In our project named Sakarya, he took part in the creation of the Disabled Map of Sakarya and sharing it with all public institutions working in the disaster emergency area. Apart from this, Yasin Ömür, who is the coordinator of the Local Youth Associations Network project supported by the Hrant Dink Foundation, is also the East Marmara responsible for our Ecological Literacy project carried out by the Yuva Association. Yasin Ömür, who has received trainer training on many different topics, has gained experience in many projects.

Our members, who are on the Board of Directors of our association, but whose work we do not describe here, have gained experience in the field of project writing and implementation, have taken part in many institutions and associations, have volunteered and are still actively working in the field.
