ABOUT US

MISSION & VALUES

As an esteemed Elite Vocational Dance Fitness Center, we aspire to lead the global stage by offering a distinguished and professional dance training program. Our goal is to cultivate dancers who not only possess a unique style but also prioritize exceptional technique and artistry. We are dedicated to nurturing a balanced approach that ensures each dancer receives the educational support and holistic care needed to flourish, shaping the artistic visionaries of the future.

OUR VISION

At Ayala Royal Ballet, we pride ourselves on creating a joyful and supportive atmosphere where children can thrive. We believe in fostering strong self-esteem and unlocking the inherent talent within every child. By prioritizing the happiness and well-being of our students, we pave the way for their artistic growth and enrich their character, empowering them to shine both on and off the stage.

ATTENDANCE

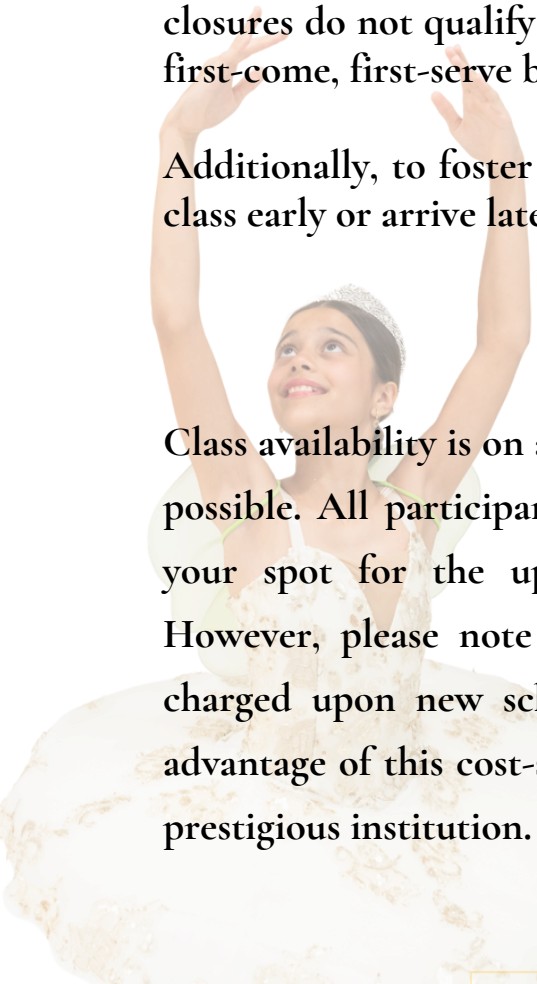
We adhere to the Miami-Dade School calendar, so you can be confident that your child's learning schedule is always current. Please note, we do not offer prorates or make-up classes for holidays; if Miami-Dade Schools are closed, so are we. However, we recognize the significance of maintaining your child's educational progress. That's why we strive to create an engaging learning environment that keeps students on track even during holiday breaks.

Tuition for our comprehensive 40-week dance program is due on the 1st of each month. The amount charged will remain consistent each month, regardless of holidays or the varying number of weeks in a month (4 or 5 weeks).

Regular attendance is crucial for improving and refining skills and talents. We encourage dancers to arrive 10 minutes early to class to warm up and change their shoes, as this routine helps maximize their learning experience.

We offer up to three makeup classes per year for absences due to illness, injury, family emergencies, or religious holidays. Please be aware that weather-related closures do not qualify for makeup classes. Please note, classes are assigned on a first-come, first-serve basis. Space is limited

Additionally, to foster discipline and focus, dancers are not permitted to leave class early or arrive late. This ensures they fully benefit from every class session.



REGISTRATION FEE

Class availability is on a first-come basis, so it is important to register as soon as possible. All participants must purchase a uniform for a fee of $90 to secure your spot for the upcoming academic year without any additional fees. However, please note that starting this year, a $50 registration fee will be charged upon new scholar year sign-up after May 15th. Act now and take advantage of this cost-saving option. Enroll today and secure your place in our prestigious institution.

We trust you to make the best decisions for their health and safety, and we ask that you not bring a sick child to the studio. However, if at any time the teaching staff feels that your child is not feeling well, they will not be allowed to stay in the classroom. We take the health of our dancers seriously, and your cooperation is greatly appreciated.

In the event of bad weather, the ARB website and social media pages will be the first to post any closings or cancellations of lessons. PHOTO RELEASE

Ayala Royal Ballet takes great pride in highlighting the talents of our students through photographs captured during events and classes. Thank you for your understanding as we continue our mission to celebrate the joy and beauty of dance.

Discipline & waiting room conduct

All of us here at ARB are dedicated to helping our dancers grow and reach their full potential. Bullying or talking badly about teachers, staff, or other dancers is strictly prohibited and will not be tolerated. This rule applies to both parents and students and any violations of this policy will result in expulsion. We strive to create a safe and supportive environment in order to foster our dancers' development and we take this rule very seriously. We hope all members of our school community can work together to provide a respectful and positive atmosphere for our dancers. If you need to speak to the teacher, please do so before or after class. If necessary, you may make an appointment with the Artistic Director to address any dilemma.

All parents are invited to wait outside the building for their children while classes are in session. To ensure the safety of all our students, please note that no student is permitted to leave the building without an adult. Furthermore, students must use the restroom before they enter the studio and only students are allowed in the studio. We ask that you do not interrupt the teacher while the class is in session.

Cell phones are not permitted to be used during class time. It is essential for both students and parents to understand that communication must be done through the ARB office. Direct contact with teachers through phone calls, emails, text messages, etc., is strictly prohibited. This policy is in place to ensure all communication is properly documented and regulated.

Our hope is that, one day, our talented dancers will have the chance to perform on the world stage in renowned ballet companies.
