Did you know?

95% of employers have as many as 5 critical workplace Policies and Assessments missing - without even realising.

Thrive Occupational Health and Safety

Discover a simpler way to reduce workplace risk...

How safe is your workplace?

Even if you've ticked 'yes' to all of these questions, there's still a high chance you're not meeting essential Health & Safety guidelines. If you're like 95% of employers, you could have as many as 5 critical workplace hazards without even realising.

To really understand your level of risk, you need to carry out a thorough Health & Safety audit.

Book your audit with the Norfolk's leading experts

To help employers lower their workplace risk, Thrive have launched CompCheck: a dedicated audit service.

For a small one-off fee, CompCheck gives you:

- A full workplace assessment from a Health & Safety expert
- A breakdown of the hazards in your business and their level of risk
- A detailed action plan to help you tackle all your risks

It's total Health & Safety security, for just a one-off fee of **£295**
