TERMS & CONDITIONS

1. Stock supported yarns are available in the colours shown on the colourcards in a minimum of one full cone, 1 kg (2 lbs) per colour.
2. For any single purchase order quantity below 10 kgs (22lbs), the yarn price will be applied with 10% price surcharge.
3. For customer own colours, 50% deposit will be required after order confirmed.
4. All yarns are subject to (+/-) 2% moisture regain allowance in weight.
5. The above prices are for reference only, and are subject to our final confirmation.
6. Fibre Content (AATCC 20A-2000): Products are labelled according to AATCC 20A-2000 method, where two or more fibres are in the product, a tolerance of (+/-) 3% is allowed.
7. We has no liabilities on any quality issues which arise by improper use or further chemical treatments(such as acidic wash, dyeing, anti-shrinkage including SIMPL-X) or special finishing (such as over-wash) for any of our yarns.
8. Due to the nature of fancy twisting there may be a greater difference in lot shading. Please ensure that you use cones from the same lot in each garment.
9. As with all fancy yarns, it is recommended to knit using more than one feeder, to reduce the possibility of colour phasing.
10. Yarn should be knitted directly from the cone supplied. Do not rewind before knitting as this may affect appearance and performance.
11. The RMB prices now include VAT at 13%
12. Machine Washable Standard: ISO 5077 & 6330 / Machine Washable Standard: Woolmark TM31. Colour Fastness Standard: ISO 105 – C06 / Reference Light Source: D65 (Illuminant).
