## MANUFACTURER OF STATIC CHARGE REMOVER SYSTEM 230V AC & 440V AC TYPE

www.pgautomation.in

## TEXTILE INDUSTRIES

- Static Charge Eliminator 230 V AC, 440 V AC
- AC Control Panel
- DC Control Panel (Dimmer and Thyristor type)
- Loop control
- Industrial Band Heater, Streap Heater, Pipe Heater etc.
- AC Motor and DC Motor and Torque Motors
- Variable Voltage Dimmer
- Temperature Control
- Thermocouple wires
- All types of carbon brush, holders and Electrical Parts
- Mfg. of Rep. Static Eliminator
- Bubble Guard Control

- Stentering Machines at plaiter and winder
- Drying Rande machines at plaiter or winder
- Zero-zero machines at plaiter of winder
- Sanfarsing machines at plaiter of winder
- On warping machines at creel and warp section and beam
- Bearming machines at beam winder
- Fabric inspection and folding machines at feeds and delivery
- printing machines at plaiter of dryer and entry
- sand blasting machines for fabrics
- Sieging machine

## PAPER INDUSTRIES

- Paper Manufacturing Machines
- Roller Printing Machines
- Offset Printing machines
- High speed Ticket Printing machine

## PHARMACEUTICAL INDUSTRIES

- Paper Manufacturing Machines
- Roller Printing Machines

## PLASTIC INDUSTRIES

- Pouch making machines
- cutting and side sealing machine
- bag making machines (extruders)
- Laminations machines
- Flexo and Roti Gravor Printing machine
- Tap making machines for HDPE Woven Bags
- Slit Flim Plants
- Packing and Sealing machines
- Butter Paper Machines
- Pharmaceutical machines
- Telecom Powder machines
