

The December 2019 NEWSLETTER

**Northern Arizona Flycasters
An active member club of the World Wide organization
“Fly Fishers International”
“Conservation, Restoration, and Education through Fly Fishing”**

We support active involvement in cold water fisheries conservation. We work to insure that Arizona’s habitat is not degraded and in the development and maintenance of fly fishing opportunities.

We support the practice of “catch and release”, the use of barbless hooks, and quick and harmless release practices. Fish should never be kept out of the water for over 60 seconds.

Northern Arizona Flycasters meets the first Wednesday of the month at the Arizona Game and Fish Regional office at 3500 S. Lake Mary Road, Flagstaff. Meetings start at 7 PM with a board meeting at 6 PM.
The meetings are free and the public is invited.

Every club member is important to the wellbeing of our club and to our local fisheries.

NAF needs your involvement and there are many volunteer venues available such as fishing trips, conservation, writing about club activities, and fund raising.
