

Student/Sponsor Agreement

MUST BE SIGNED AND RETURNED PRIOR TO THE START OF THE 1ST COMPETING CLASS

The purpose of this agreement is to ensure that all dancers understand how important a good work ethic and attitude is to a competing team and Dance Express. Every dancer will be on a probation period for the first 90 days to ensure he/she is performing up to the standard of the team. Any misconduct or failure to follow the terms of this agreement may result in the movement or removal from a competing team without refund. If a student has missed class for any reason, including illness/injury, the teacher will determine whether that student will compete.

I understand and agree to the following:
