

TRYOUT RESULTS 2025-2026

Congratulations to all the DANCERS

Some friendly reminders...

*** Please remember that there were multiple people that were unable to attend auditions and will be doing callbacks on 8/25 & 8/26. Times will TBD. We will reach out in mid July.**

*If you have concerns with the results, please give us one week. Please email with any concerns and we will return your email in 1 week to set up a meeting with the class instructor.

*If your name is on a TAP list twice, it is not an error. You will be required to take both classes for this season. (Unless you only would like to do the lower level only.)

*Please remember that all kids grow as dancers at different levels. Some years you may be the oldest and the next the youngest. Typically, staying on a team for 2 years is considered normal. In some instances moving up faster does happen.

*We are so thrilled to have so many kids try out for our competition teams this year. With that being said, class size was taken into consideration.

*If you have made a jazz/lyrical/modern/tap team, you ARE required to take a ballet class. Please see our competition information packet for all team requirements.

We wish you all a happy and blessed summer!
