

# 2024 Fall League Rules and Regulations

- There are limited spots available in our indoor golfing leagues, and therefore will be filled on a first come, first served basis.
- The cost to join a league is \$300.00+HST (\$25.00/week x 12 weeks) with a \$40.00 registration fee that is cash-only. The cost covers your tee-time, and the registration fee will cover end of season prizes. This combined amount must be paid in full before playing any rounds. Leagues will begin October 1, 2024 and will run 12 weekly rounds until December 22, 2024.
- Each player will be responsible for playing the pre-selected 9 holes each week. The 9 holes must be completed in 30 minutes. If you complete your round before the time finishes you are more than welcome to continue to use the simulator. However, you are unable to bank this extra time to use on a future booking. Cancellations or no-shows made with less than 24 hours' notice will be required to pay a small fee.
- There is no set time of day or week that league players need to make their tee-time for. We are giving players the flexibility to book their tee-time whenever they are available during any given week. Players can therefore play ahead or behind within the given time blocks explained below.
- The season will be broken down into three blocks. Players must complete all 4 weekly rounds by the last date of the block for them to count. You may book your rounds on one of the last days, however we cannot guarantee there will be a bay available for you.

<b>Block 1 (Weeks 1-4)</b>	<b>Block 2 (Weeks 5-8)</b>	<b>Block 3 (Weeks 9-12)</b>
Opens: October 1, 2024 Last Day: November 10, 2024	Opens: October 28, 2024 Last Day: December 8, 2024	Opens: November 25, 2024 Last Day: December 22, 2024

- Handicap Indexes will be created at the end of the 12-Week period for each golfer with the Equitable Stroke Control being set to Double Par. These Indexes will then be used to calculate Course Handicaps for each week and player. This will increase fairness for all levels of experience, as the handicaps will be weighed against the real-world course ratings and an average of their four lowest Handicap Differentials.

- Prizes will be awarded at the beginning of 2025 and will be a mix of cash payouts and donated gifts from partnering businesses. The determination of prizes will depend on the number of sign-ups received.
- Mulligans will be set to 0, and it is the responsibility of the players to ensure they understand where the O.B. is set for each course. Individual score cards will be given out upon registration and will be kept within the facility to aid in round tracking.
- Following any inappropriate behaviour, New Hamburg On Par Golf Staff may issue 2 verbal warnings, and reserves the right to remove any player from the league without a refund if changes are not made.

I \_\_\_\_\_, acknowledge that I have read the above rules and regulations set forth by New Hamburg On Par Golf, and agree to abide by any penalties that may result from breaking said agreement.
