## **Ani Arrowhead Technologies Announces Strategic Partnership with Platinum Business Services LLC**

December 2025 — **Ani Arrowhead Technologies™**, a **Native American–Owned** Small Business dedicated to delivering high-impact technology, logistics, and program support solutions, is pleased to announce a new strategic partnership with **Platinum Business Services LLC**, a nationally recognized SDVOSB, Small Disadvantaged Business (SDB), and HUBZone federal contractor. This collaboration marks an important expansion in Ani Arrowhead Technologies' ability to support federal agencies with advanced, mission-focused capabilities.

Through this partnership, Ani Arrowhead Technologies and Platinum Business Services will combine their strengths across emerging technologies, cybersecurity, logistics, administrative support, and enterprise-level solutions. Together, the companies will deliver enhanced technical depth, expanded capacity, and agile, scalable services tailored to the evolving needs of federal customers. This alliance underscores Ani Arrowhead Technologies' commitment to strategic growth, innovation, and building meaningful collaborations that create long-term value for government missions.
