COMPANY OVERVIEW

In the southeast, Undercare is the newest and most innovative medical, laboratory, and supply company. Undercare is much more than just a "supplier". Whenever we work with a customer, we examine each product and take the time to understand their unique needs. New products are constantly being introduced to the market, and we help customers determine which products will meet their needs.

CORE COMPETENCIES

- Undercare utilizes quality USA manufacturers to produce quality durable products at competitive factory direct prices to meet your medical requirements.
- Quality and engineering excellence are our top priorities when it comes to material-handling products.
- All products we sell come with a standard warranty.

DIFFERENTIATORS

Cost-effective solutions are guaranteed by Undercare's strong agreements with top manufacturers Medline and Kimberly-Clark. Budget-conscious pricing from Undercare provides further savings and volume incentives. The goal of Undercare's specially chosen internal and outside account representatives is to fulfill every order and satisfy customers.
