### BIO

Michelle Egbert has worked with business owners to create their Framework for Success by helping them establish a solid purpose, setting their priorities, and creating processes that save them time and money.

With two decades of experience in business consulting, Michelle has held pivotal roles that have driven organizational growth and efficiency, earning recognition as a thought leader in strategic planning. She is passionate about empowering entrepreneurs and small business owners by providing them with the tools and guidance needed to transform their visions into sustainable success stories. Seeing her clients achieve their dreams and experiencing the profound ripple effect of their success on their communities is what makes her work incredibly rewarding.

When she is not crafting strategies, you can find her hiking with her family, exploring new camping adventures, or savoring a good book, always in pursuit of life's next adventure.
