PARAN-ATMA

5 PLANES OF *Manifestation*

The background features a gradient of teal and blue. At the bottom, there are stylized, wavy shapes in shades of yellow and light blue, resembling a horizon or a landscape. Scattered across the middle section are numerous small, orange-brown dots, some of which are slightly larger and more clustered, giving the impression of stars or particles.

5 PLANES OF *Manifestation*

These range from the most outward below, to the most inward above. Behind or below, all physical things are the four essential constituents, without which they could not exist, and from which they proceed.
