

**Cremona/Water Valley & District
Chamber of Commerce**

Hello businesses in the Cremona/Water Valley and District area.

We hope your business was successful in 2021. It was certainly a challenging year for many of us.

The Cremona/Water Valley and District Chamber of Commerce is starting its 2022 membership campaign. We would like to get some new businesses involved that are eager to enhance the local business environment.

The Chambers primary goals are:

- Enhance the visibility of local businesses
- Provide a conduit from businesses to government agencies
- Help to attract new businesses to the area
- Get Cremona and Water Valley more “on the map”. Give people from Calgary and other towns a reason to come out here.
- Provide information to local businesses for issues like financing, advertising, etc
- Provide business related education courses

The Chamber of Commerce provides a framework and tools to help pursue these goals. We work together with the Village council and other local groups whenever such cooperation will help. It has always been a challenge to address these goals with a limited number of active participants. We are always looking for new members with enthusiasm and ideas to progress these goals.

Joining the Chamber brings with it some Added Value Benefits such as discounts on insurance, delivery, fuel, communications services and others. Take a look at the Alberta Chamber website at <http://www.abchamber.ca/pages/ValueAddedBenefits1> for more details.
