

Alpine Forever Warranty

Limited Lifetime Warranty

The Alpine Forever Warranty

Warranty Information

At Alpine Bench Co., we stand firmly behind the quality and craftsmanship of our wood products. When used and cared for properly, we guarantee our products will last a lifetime. In the event of any structural issues, we will replace your purchase, no questions asked. Please be advised, this warranty **does not** cover **negligence, water damage, cosmetic wear, or natural inconsistencies inherent to live-edge wood**. It is essential to follow proper care guidelines to maintain the longevity of your Alpine Bench Co. products. For items left outdoors, exposure to moisture and UV rays may lead to degradation. In such cases, the warranty is limited to **2 years from the date of purchase**. However, products treated with our “epoxy outdoor weather coat” will carry a warranty of **5 years from the date of purchase**.
