What sets Otsego Media apart from the competition?

We have the tech, training, and creative network to do anything you want with video. We love a good challenge and can capture video from land, sea, and air, in any weather conditions. Whether it takes drones, vehicle rigs, divers, or specialized equipment, we've never met a shot we couldn't get or a postproduction technique we couldn't deliver.

- SCUBA certified
- Drone pilot
- Capture in any resolution from standard to 12k
- State-of-the-art production and postproduction tech
- Over 15 years of media experience
- Work featured in theaters nationwide
- Agile network of independent creatives
- Combat-trained veteran owned
