Eyelashes

EYELASH EXTENSIONS

Eyelashes appear thicker, fuller, and darker with semi-permanent extensions which are attached to each individual eyelash. Extensions are water resistant and look and feel very natural. Customize your look to acheive desired effect.

CLASSIC EXTENSIONS Natural-looking lash extensions. Applied to each lash with a 1:1 ratio (one extension on one natural lash) Allows you to achieve an understated, natural enhancement.

HYBRID EXTENSIONS A blend of Volume and Classic, Hybrid offers a varied texture and more volume than classic but not as bold and dramatic as Volume.

VOLUME EXTENSIONS Offers you a full, better-than-falsies look that gives you bold, dramatic results.

CLASSIC FULL SET *(initial)* $195

Eyebrows & Permanent Makeup

MICROBLADING $400

Natural and realistic looking hair strokes are created in each eyebrow area using permanent makeup and manual micro-stroking. Perfect for those with thin brows, or bald spots.

MICROBLADING POWDER COMBO $500

Achieve a more dramatic look than Microblading alone. Used as combination, Powder Fill plus Microblading gives a thicker, more full appearance.

POWDER FILL $600

More defined and fuller look than Microblading, results can be soft or bold. Perfect for those that prefer the "filled in" look on a daily basis.

BROW LAMINATION $85

This Microblading alternative fills in brow gaps and gives them the illusion of fullness and growth in a fast, noninvasive way.

BROW TINT $40

A semi-permanent dye is applied to the eyebrow hairs to enhance color, shape, and definition, making them appear thicker, darker, and more symmetrical.

NEW Hair Treatments

SCALP MICROPIGMENTATION $500

A non-surgical treatment, also known as SMP, for hair loss or thinning, using microneedles to deposit tiny dots of medical-grade pigment into the scalp, mimicking the look of natural hair follicles.

XVIE™ REGENERATIVE HAIR TREATMENT

$1400 120 mins

Series of 2 | $2500

Scalp numbing • Minimally invasive

A potent, multi-signaling solution for total hair health, featuring exosomes, 700+ growth factors & peptides to support follicle health and promote thicker, fuller, healthier-looking hair. Delivered through targeted microneedling to enhance penetration and scalp rejuvenation.
