**1. This section provides an overview of the program:**

- A. The students will be present as part of a learning experience for the occupational therapy students. The primary therapist will work with the teachers to provide age appropriate activities. These activities will correlate to the center’s curriculum and will enhance student learning.
- B. All student information will remain at the center and will remain confidential. The OT students are at Little Leaders Institute to see typical development in typical children.

**PARTICIPANT**

**Consent to Participate:**

I agree for my child to participate in the Occupational Therapy students’ learning experience. As part of the students’ requirements at Temple University.
