

Quick Pick Package: \$60.00

The Quick Pick Package is designed for clients who only need one specific service. It's fast, affordable, and delivers results that fit your immediate needs.

Pick One Option:

- **Data Cleaning:**
 - Eliminate duplicates, fill in missing values, and ensure your dataset is accurate and reliable.
 - Ideal for: Preparing raw data for deeper analysis.
 - Estimated Completion Time: 1-2 business days.
- **1 Chart or Graph Creation:**
 - Receive a professional visualization (bar chart, pie chart, etc.) for a specific dataset.
 - Ideal for: Presentations, pitches, or quick decision-making.
 - Estimated Completion Time: 1-2 business days.
- **10-Slide PowerPoint Presentation:**

- Professionally designed slides summarizing your data's key points.
- Ideal for: Presenting findings to stakeholders or teams.
- Estimated Completion Time: 2-3 business days.
