WHAT IS ABATE?

The most current definition of ABATE is American Bikers Aimed Toward Education. ABATE was originally founded by Lou Chimney of California. The concept has since spread across the nation. Most ABATE organizations are run on a state level with various chapters or regions participating therein.

GOALS AND PURPOSE OF ABATE

To provide a newsletter to keep all bikers informed in regards to legislative actions and events around our state and through out our country.

To become a powerful and viable political force in legislative matters concerning all motorcyclist rights.

To promote voter registration and motivate members to write their legislators.

To promote safe riding habits without infringing on the individual rights.

To educate the public about motorcycle awareness.

To provide a lobbyist to represent ABATE of FLORIDA, Inc. on the state and national level.

HOW DOES ABATE ACCOMPLISH ITS GOALS?

ABATE of Florida, Inc. is a non-profit, grassroots political corporation composed of local chapters that have been organized by motorcyclists, to promote a positive image through local, civic, and charitable and benevolent causes; pooling resources for the common benefit of the members promoting political awareness. ABATE exists to monitor legislation and testifies in your behalf during Senate and House hearings. ABATE collects, processes, and exchanges information that may concern you or substantiate our views and places it in your hands through a newsletter or by other means.

WHO CAN JOIN?

Any individual 18 years of age or older interested in motor-cycle rights, regardless of their sex, race or club affiliation. It does not matter if you ride or what you ride. ABATE ensures our option on motorcycle laws will be heard

We are a non-profit organization of motorcycle enthusiasts from all walks of life. We lobby and educate the government and the general public to promote motorcycling in a safe and positive image. We endeavor to enlist the cooperation and participation of all organizations and individuals that share a similar interest in preserving our American tradition of FREEDOM.

We promote motorcycle safety, training, & political awareness. WE ARE NOT A CLUB OR A GANG. We fund our work through toy runs, poker runs, camp outs, and other motorcycle activities. We are your neighbors & friends who work, pay taxes, and get involved with our community. We serve and support our country and believe in freedom. We use all legal means to protect our rights without infringing on the rights of others. ABATE of Florida, Inc. is incorporated under the laws of Florida as a motorcycle rights organization or "MRO". ABATE of Florida, Inc.

ABATE of Florida Accomplishments:

ABATE was the driving force behind the changes in Florida’s Helmet Law. Florida Motorcyclists, over the age of 21 and who carry at least \$10,000 medical insurance coverage now enjoy the Freedom to Choose whether to wear a helmet or not. ABATE has developed & copyrighted “The Motorcycle Safety & Awareness Program”(MSAP). The program is presented to non-motorcyclists to educate them on how to safely share the road with motorcycles. It is taught in local schools & to civic organizations at no charge in the hope of reducing motorcycle accidents and deaths through education, not legislation.

- ABATE has gained a positive and respected position in Tallahassee. Because of our Lobbyist and Legislative efforts, State Representatives are aware of ABATE members and our vigilant quest.
- ABATE reminds travelers everyday to “Look Twice Save a Life, Motor-cycles are everywhere” through our billboard campaigns.

PRESIDENT'S MESSAGE

We have signed a new contract with AIL Insurance to continue to provide \$4000 accident insurance to our members. Many families members of our organization who have been killed in accidents have received this benefit. It is a benefit for all of our members in good standing.

We also have made a deal with the Community Credit Union of Florida. Every month they will send us a list and money for their members that join with us.

I know with inflation everything is going up such as gas, food and most necessities that everyone needs. It seems the best bargain in Florida is still a membership in Abate of Florida, Inc.

ABATE OF FLORIDA, INC.
June 11, 2022
State Delegates Meeting in Fort McCoy

PRESIDENTS REPORT: Doc - After Pledge and Moment of silence, Doc read the letter from the Commander of the Pensacola Chapter of the American Legion 340, concerning Tammy Grant and her conduct at the after party. This was done because some did not understand what lead to her yearly suspension. This suspension was determined by the Board.

VICE PRESIDENT'S REPORT: Darrin – Welcome to all. Please be careful on your way home.

SECRETARY'S REPORT: Lynn – Entertained a motion to accept the minutes as they were sent to the Chapters. Daytona made the motion and it was seconded by Peace River. All in favor except 2 were opposed.

TREASURER'S REPORT: Debbie – Entertained a motion to accept the treasurers report that was also sent to every chapter. Motion made by Daytona, seconded by Polk. Just a reminder that the reports will look different due to an upgrade of Quickbooks. All in favor.

STATE OFFICE: Brandy – QR Codes are now active. Each chapter has a code to use that will give them credit with membership. Daytona Beach is going above and beyond when using these codes. With chapter elections, it is necessary to update the Board of Directors with the STATE office.

SERGEANT-AT-ARMS REPORT: Mudder – Stressed the importance of staying hydrated in this summer heat. Ride Safe.

MEMBERSHIP REPORT: Laurie –

March: Highest Growth: Polk, Most New Members: Polk.

April: Highest Growth: Polk, Most New Members: SouthEast.

Please tell your Membership people they are doing a great job. Laurie also read the Bylaws when it came to voting and members At-Large. You must be a chapter member in *good standing* to vote in chapter elections. A newly enrolled member must have their information at the State Office before they can vote.

She also relayed the effectiveness of the QR codes but stressed that we have over 300 returns after a mailing because of incorrect addresses. It is important to get these up to date.

PR/COMMUNICATIONS REPORT: Bill – May Proclamation was posted after the State made a couple of changes to the verbiage. This is something the State of Florida does often. Plus, it was discovered that another organization used our Proclamation for their own.

WEBSITE REPORT/ Masterlink: Reminder about chapter updates going to the State so it can be updated on the web page and Masterlink. “Any changes need to be done ASAP especially with membership, because unless the State has the information, it isn’t active.

PRODUCTS TRUSTEE REPORT: Shayne (Velcro) – Explained that the QR code is now being used with the products so that credit cards can be used. I can always make a deal.

LEGISLATIVE REPORT: Darrin – Legislators are back in their local offices. Now is a great time to contact them about ABATE of Florida, Inc. and educate them on their local chapter. Stressed the importance of the local Primaries. It’s important to introduce yourself to these people right away if you haven’t already.

If you no longer want to be on the Legislative emailing, please email Darrin and he will remove you from the list." Slo-Mo asked about local election notices, you must contact your local Supervisor of Elections. Spoke about how to indorse to candidates as a private citizen.

LOBBYIST: Doc – Session is over. There will be many new legislators this coming year. There are also new district lines. Check your voter cards to verify if you are still in the same district. Also, with this district change, Florida picked up a new Congressional Seat. Upcoming Speaker of Senate hasn't always been friendly to motorcyclist. But many of the House are asking if we are doing the same bill. Doc responded "yes". Senator friendly to Abate said he will support the bill. The biggest item right now is the election. Go to candidate meetings. Learn about the candidates.

Legal Counsel: Jerry T – The elections have been moved to August 13th due to the fact that Lake County didn't hold their elections at their meeting. Bylaws were read to clarify voting procedures. Since there is not a provision for email voting, it cannot be used at this time. But the bottom line is that the members have a right to vote and holding a "special" meeting doesn't allow those who plan to attend the regular meeting a chance to vote. With this unusual issue, some have asked if there should be a voting freeze. But since the vote hasn't been brought to the delegation, the chapters can make that decision. Polk had a question concerning the rights of Lake chapter to vote. This was later clarified that they are voting at their next meeting. Their right to vote and have their vote counted was not denied. Forest chapter questioned the June to June session for officers, and it was stated that the Board has the right and duty to adjust elections due to unforeseen circumstances. (ie Hurricanes, Covid....) Lake stated that the people were represented at the "special" meeting. Jerry stressed that not all members were able to attend the "special" meeting and we need to postpone til August. Daytona asked why didn't the people vote. It was an oversight of the existing Board and the incoming Board. Discussion evolved asking about multiple issues. Gris explained the situation the vote should have happened at "Old Business", and took blame along with Tate. He also made a motion that the meeting move along. It was seconded, voted on and motion carried. Jerry offered his number to anyone in the organization that needed to talk with him concerning legal items.

NCOM UPDATE: Doc – to be held in Nashville on June 17th, 18th.

TALLAHASSEE: April 2, 2023 to be the meeting, and April 3, 2023 to be the Ride to the Capital. Brandy reminded everyone that this has not been approved by the State of Florida yet.

STATE PARTY: Shayne – Due to Family issues, I have not been able to address it as I would like. But I still have 2500 in sponsorship and challenged the delegation to match it. We are looking for the center of the state that has facilities. If you have a lead, call me. Vintage suggested the local fair grounds. Shayne requested the info be sent to him again. Gris suggested a State Park.

OLD BUSINESS: Treasure Coast asked about the 501c3 Abate of Florida Safety and Education. Doc reminded everyone that it is a separate account from ABATE of Florida, Inc. Forest asked about decisions made for that Corp. Doc stated it was a separate corporation. Questions were asked about monies raised at Avon Park. Doc reminded them that the only money made were the 2 donations given by 2 organizations/sponsors.

NEW BUSINESS: Daytona made motion for a new bill concerning Profiling. Doc read the existing bill. Daytona stated that profiling was bad in their county and the bill needs to have more direct language. Being more specific to motorcyclist is needed. Estero seconded the motion. All in favor. Gulf Coast requested the Statute Number. Palm Beach brought up some items of concern especially in their area. "Bringing forth a lawsuit for the monies not received for over 10 year, Investigation concerning the lack of distribution, and work on a new bill for "Aggressive Drivers". They believe they should lose their vehicles. Drivers Education is needed as well." Doc responded with "put these down on paper so I can present. We will be having new legislators and we need to get them on our side. Lake asked about billboards and whose paying for them. SE stressed the inability to get into the school system. Deaths dropped when people are educated. Doc stressed the lack of importance has resulted in the poor turn out of the Capital Run.
Good to the Order: Patti Nasarallah presented ashes and patches of Richard and handed those out to members that wanted "to take him out for 1 last ride".

50/50 a new member won.

About American Income Life

Experience and Stability

American Income Life is licensed in 49 states, the District of Columbia, Canada, and is registered to carry on business in New Zealand. AIL has a wholly-owned subsidiary, National Income Life Insurance Company, licensed in the state of New York. AIL's Executive Offices are located in Waco, Texas.

We have earned an A (Excellent) Financial Strength Rating from A.M. Best Company (rating as of 7/20).

Community Service

We believe in the importance of being involved and giving back to the communities in which we live and work. AIL representatives are involved in charitable events, community projects, scholarships and food banks. It's not just what we do, it's who we are as a Company.

The In-Home Visit — What Your Members Can Expect

American Income Life is a significant provider of supplemental insurance coverage for working families. We take that responsibility seriously. We have developed supplemental benefits and programs relevant to the needs of working families.

We have created an individualized method for AIL representatives to determine the insurance needs of your members so they can have appropriate supplemental benefits to protect their entire family.

Needs-Based Laptop Presentation

Our multi-media laptop presentation features short videos that introduce our Company and explain our relationship with your organization.

Interactive videos explain the no-cost programs the representative can deliver to the family and give members an opportunity to sponsor friends and family members to receive similar no-cost programs.

Needs Survey

Members are asked to provide basic information about the family, income, and existing insurance coverage. The answers to a few general health questions help determine eligibility for the coverage, and if the family has any special needs.

The Needs-Based Presentation addresses the four basic needs most families have:

- Final Expenses
- Readjustment income as a result of death
- Mortgage Protection
- College Education

Short videos explain the proposed coverage in plain language so the member understands their need and the protection the coverage can provide. The program logic automatically recommends optimal coverage face amounts that will best help protect the family. Face amounts are flexible to help preserve the full blanket of coverage, and allow modification to ensure the member is comfortable with the coverage.

Optional Supplemental Insurance Benefits Available

We help protect and service the needs of working families. The AIL Representative will deliver and explain the AD&D certificate of coverage, and will present the opportunity to apply for and purchase additional supplemental insurance coverage available through American Income Life Insurance Company on a voluntary basis.

Depending on need, the AIL Representative may also present:

Head Start

Coverage is available for children ages 0-17. It serves as a vehicle for parents or grandparents to purchase life insurance coverage for a child or grandchild when it is least expensive. Head Start is whole life insurance with options to purchase additional whole life insurance at future dates without evidence of insurability.

The primary coverage offer includes:

Freedom Of Choice

(Final Expense Policy)

A life insurance policy designed to help take care of immediate financial needs placed on a family when a loved one passes away. As the name implies, families have the freedom to choose the funeral home, location and type of funeral when it is needed.

This insurance does not specifically cover funeral goods or services, and may not cover the entombment of your funeral at the time of your death. The beneficiary of this insurance cannot use the proceeds for any purpose, unless otherwise directed.

Term Insurance

Various terms are available to help cover the needs of a temporary nature such as to pay off a mortgage or other loans, family income protection, etc. The beneficiary can request a lump sum payment upon the insured's death or the benefits can be spread out over several years to provide a monthly benefit amount to help them adjust to the loss of the insured's monthly income.

Accident Policy

(Form A71000 series)

The plan can provide benefits for accidental death and dismemberment as well as hospital confinement and intensive care treatment if related to an accident. In addition, the policy can pay a benefit if the insured has emergency room treatment as a result of an accident when treated within 72 hours of the accidental injury.

Cancer Protection

(CNM, C10000 and C20000 series)

These three cancer policies provide a variety of benefits for treatment or diagnosis of cancer subject to the benefits, exclusions and limitations in each policy series. THESE ARE CANCER ONLY POLICIES.

Critical Illness

(Form C10000 series)

This policy pays a one-time lump sum payment when an insured is first diagnosed with a covered critical illness subject to the definitions, exclusions, limitations and waiting period in the policy. THIS IS A LIMITED POLICY.

AIL representatives don't just explain coverage available through AIL. They also educate members on the important differences between Whole Life and Term Life, so they are better able to make needs based decisions on how to protect their family.

We look forward to a long-term relationship!
