WHAT IS ABATE?

The most current definition of ABATE is American Bikers Aimed Toward Education. ABATE was originally founded by Lou Chimney of California. The concept has since spread across the nation. Most ABATE organizations are run on a state level with various chapters or regions participating therein.

GOALS AND PURPOSE OF ABATE

To provide a newsletter to keep all bikers informed regarding legislative actions and events around our state and through out our country.

To become a powerful and viable political force in legislative matters concerning all motorcyclist rights.

To promote voter registration and motivate members to write their legislators.

To promote safe riding habits without infringing on the individual rights.

To educate the public about motorcycle awareness.

To provide a lobbyist to represent ABATE of FLORIDA, Inc. on the state and national level.

HOW DOES ABATE ACCOMPLISH ITS GOALS?

ABATE of Florida, Inc. is a non-profit, grassroots political corporation composed of local chapters that have been organized by motorcyclists, to promote a positive image through local, civic, and charitable and benevolent causes; pooling resources for the common benefit of the members promoting political awareness. ABATE exists to monitor legislation and testifies in your behalf during Senate and House hearings. ABATE collects, processes, and exchanges information that may concern you or substantiate our views and places it in your hands through a newsletter or by other means.

WHO CAN JOIN?

Any individual 18 years of age or older interested in motorcycle rights, regardless of their sex, race or club affiliation. It does not matter if you ride or what you ride. ABATE ensures our option on motorcycle laws will be heard

We are a non-profit organization of motorcycle enthusiasts from all walks of life. We lobby and educate the government and the general public to promote motorcycling in a safe and positive image. We endeavor to enlist the cooperation and participation of all organizations and individuals that share a similar interest in preserving our American tradition of FREEDOM.

We promote motorcycle safety, training, & political awareness. WE ARE NOT A CLUB OR A GANG. We fund our work through toy runs, poker runs, camp outs, and other motorcycle activities. We are your neighbors & friends who work, pay taxes, and get involved with our community. We serve and support our country and believe in freedom. We use all legal means to protect our rights without infringing on the rights of others. ABATE of Florida, Inc. is incorporated under the laws of Florida as a motorcycle rights organization or "MRO". ABATE of Florida, Inc.

ABATE of Florida Accomplishments:

ABATE was the driving force behind the changes in Florida’s Helmet Law. Florida Motorcyclists, over the age of 21 and who carry at least \$10,000 medical insurance coverage now enjoy the Freedom to Choose whether to wear a helmet or not. ABATE has developed & copyrighted “The Motorcycle Safety & Awareness Program” (MSAP). The program is presented to non-motorcyclists to educate them on how to safely share the road with motorcycles. It is taught in local schools & to civic organizations at no charge in the hope of reducing motorcycle accidents and deaths through education, not legislation.

- ABATE has gained a positive and respected position in Tallahassee. Because of our Lobbyist and Legislative efforts, State Representatives are aware of ABATE members and our vigilant quest.
- ABATE reminds travelers every day to “Look Twice Save a Life, Motor-cycles are everywhere” through our billboard campaigns.

A NOTE FROM THE MASTERLINK

Hi Everyone!

May was an exciting month to say the least. Many of the Chapter's had some great event to mark May as Motorcycle Awareness Month. I'm just sad I couldn't go to all of them. Plus SB 838 being signed by the Governor! What great news to hear and see. The future is looking bright for safety and awareness!

I also want to remind everyone to send me your pictures and a little bio of your events so I can add them to this Masterlink.

Thank you to all the chapters who have donated a patch to the quilt I am working on. If you still haven't donated or sold one to me and still want to be a part of this project please let me know or bring a patch to the next state meeting. This quilt will be auctioned off at one of the state meetings and all proceeds go to ABATE of Florida, Inc.

Thank you, Tara

Meet Your State Board Members

Laurie Hanley
State Membership Trustee

I joined Abate of Florida in June of 2014. At that time Victor Piorkowski was taking over as president of the Southwest Chapter and he needed someone to step up to be Secretary. My husband took it upon himself to nominate me for that position. Victor took me under his wings and schooled me on what Abate was all about. I learned so much from him and never looked back. He always encouraged me to go to State meetings where I learned even more. After a few years I was asked to do Membership on the State level. Once voted into that position, I have been there ever since.

I have enjoyed all the aspects of our organization and I do believe in what we stand for. I have also made many friendships and have come to the realization that we are so much more; we are all family.

We all care about each other and do things to help make the roads safe for us all to drive on. With this being said, I feel blessed to be part of The Abate Family.

Shayne Hanley - AKA VELCRO
State Products

I got my start with Abate back in 2013 in the Southwest chapter with Wayne C. as the chapter president. He welcomed me in and taught me about what Abate stands for and what I could do to help out. I really got involved when I became the Sergeant of Arms when Victor P. took over as the Southwest President. I want to give him a lot of credit for teaching me the ropes. He is a fountain of knowledge and he introduced me into doing safety booths. Victor had us doing many safety booths throughout our area so we could get the word out about Abate. Two years later I became president of the Southwest. I then transferred my membership to Estero River where I became the Vice President for three years. With the help from Victor we did many more safety booths. Doing these safety booths became a passion for me. I have met so many wonderful people while introducing them to what Abate is all about. I did step down from my position of Vice President when I was asked to do State Products which I have been doing for the last five years. At the end of the day I really owe Victor P. a big thank you for getting me and my wonderful wife involved with Abate.

Brandy – Can you send out your list? * Question was asked from Forest about the 501c3 and how it was transferred from Doc Fish to Doc R. – it is being worked on at this time. There is a letter to Jerry T but it is on hold for right now. Explained how extremely helpful Doc has been with our legislative pursuit and how he has worked behind the scenes with Rich.

SAFETY TRUSTEE: Russ – Thank you for your vote of confidence at the last meeting.

1. . I've completed the concept letter and other items for FDOT grant submission. Without a 501(c)3, I was not able to submit it by the February 28th deadline. I will attempt it again for next year once we do have our non-profit corporation.

2. . Since ABATE Safety and Education, Inc. refuses to release funds specifically intended for ABATE of Florid Inc., we are in dire need for safety products. Let's hope our safety money bills pass. Have you called your representatives?

3. . Make sure any safety booth presentation forms are completed correctly and are sent to State within business days.

4. . I need a list from all Chapters of their certified MSAP Course Instructors ASAP please. The more certifi instructors we have in each chapter, the better.

5. . Safety Booth Presentations. Were discussed and stressed that anyone can setup the Presentation, but plea document it and send pictures.

6. . MSAP – Discussed the process of becoming certified and talked about having certification classes at the ne Delegate Meeting. Lana offered to help with training. Estero – what kind of documentation do we need for MSAP? Forest – I have been an instructor and if you schedule a class let me know. We have an upcoming class if you want to join us. We have many people who might be able to join. SE – If you were certified 4 years are you still certified? Discussed issues with lapsed certifications.

7. . We will be updating our Safety DV

WEBSITE REPORT/ MasterLink: Tara – (Absent) Do you want to change the MasterLink to monthly? There will be a questionnaire out to all board members to get to know them, and getting a patch donated for a quilt to be auctioned off at the next state meeting. I need pictures of your Chapters events and members.

PRODUCTS TRUSTEE REPORT: Shayne (Velcro) – We have new mugs, and aprons. Working on a new patch. Larger patches must be pre-ordered.

LEGISLATIVE REPORT: Bob – Talked about Doc and how instrumental he has been for ABATE of Florida, Inc. We need to promote a positive image, so we are moving forward. Griz is the President. Jerry T is also a very good friend of ABATE and motorcyclist in general. Let's move forward. I am a long-term member. Describe the process of our Bill and how it could be killed not going into committee. Also mentioned again our mannerism when we talk to our Legislators. We need to watch how we address this people. We want to get this bill to pass. If by chance this doesn't get thru, we continue our work and address again next year. We will have wording for what to say to these Legislatures. Bob talked about things we are doing tomorrow: shirts, drip pans and trophies. This day tomorrow is to "make friends".

LOBBYIST: Rich - The only reason we are where we are is because of ABATE. Doc has been nothing but helpful to me. Know who your Reps are for tomorrow. Address the staff in their office and thank them for supporting the "Motorcycle" bill. SB 838 or HB 709 is what will be addressing. Explained the Representatives and Senators that have helped with the advancement of this bill. Rich also discussed and explained the Insurance Tort reform just as an FYI. Russ read the HB 709 and explanations were given on the changes including the removal of the name of ABATE. This could be beneficial because the new qualification has guidelines that ABATE meets. Only 2-3 Non-Profits will meet these qualifications. *Big reminder that the DOT members will be fighting to keep this money in their budget, but do not have a Lobbyist right now. Big shout out to Sen. McClain in helping us get the bill heard in its 1st committee.

LEGAL COUNSEL: Jerry T- Absent

NCOM UPDATE – Phoenix 2023, June 16-18

TALLAHASSEE 2023: Items for the Ride on Monday. Discuss the new process of us visiting Tallahassee. If any new names that need to be added to the list, please contact Lynn.

STATE PARTY: Velcro – Motion was made at the last meeting concerning Polk to host a party in their area. Due to the fact that Polk county didn't have info from Chris and some of the other chapters didn't have a response. It was tabled.

OLD BUSINESS: Vote on the time change for the Delegates Meeting. Stick Vote: Yes, for Noon – 14, No for Noon – 10, Abstained – 1. Next meeting will be at Noon.

NEW BUSINESS: SW will not be doing the June meeting. We need another location. Pasco stepped up. Details forth coming. Forest brought up the changing of Membership dues. This would be a By-law change, so it needs to be written up with the suggestions.

GOOD TO THE ORDER: Gator Alley donated money from the Swamp Buggy races. Lake County talked about Bikefest. Polk talked about Motorcycle Rodeo. Forest will be having their 32-year anniversary. JMax (Pasco) talked about his podcast. Encouraged all to listen.

Motion to Adjourn

SB 838

Today marks a New Abate of Florida Inc. Chapter and a win for Motorcyclists.

Governor Ron DeSantis signed SB 838 today this will help save lives across the State of Florida. This was a team effort that involved many people. Thanks to everyone who volunteered their time to help get this done

If you have not got involved now is the time to help pave the foundation for our future riders.

SB 838

Gov. DeSantis signs motorcycle safety bill

Three motorcycle safety organizations are set to receive funding for promotional campaigns under legislation Gov. Ron DeSantis just signed

“Florida is home to more than 650,000 motorcyclists who are able to ride all year long,” DeSantis said in a released statement. “It is important to continue promoting motorcycle safety and education programs that will prevent accidents and make our roads safer.”

According to DeSantis’ Office, he signed the bill (SB 838) on Wednesday, even though he held a bill signing ceremony on Tuesday after the Cabinet meeting with members of the organizations.

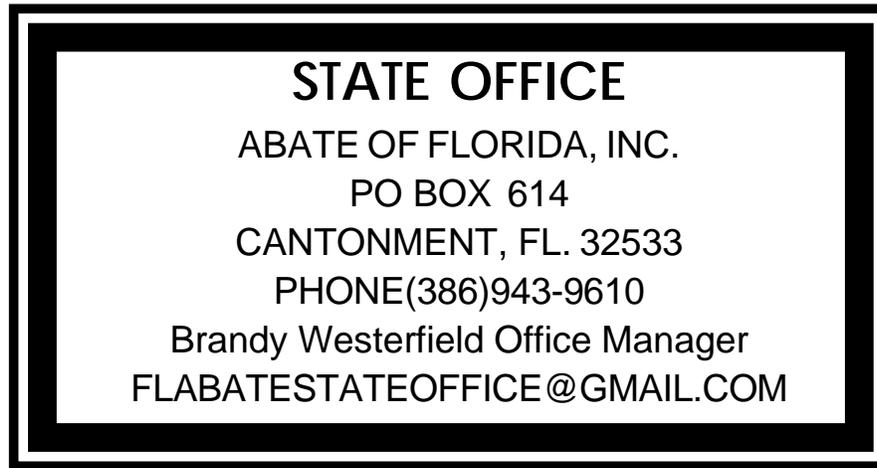

Before the ceremony, his aides kicked out all members of the press out of the Cabinet room. Florida Channel cameras rolled as the ceremony took place, but the audio feed was cut off.

The bill shifts revenues from the \$2.50 motorcycle safety education fee included in motorcycle registration fees used by the Department of Highway Safety and Motor Vehicles (DHSMV) for a safety education program. Instead, those funds will go to three nonprofit groups to administer their own program.

The groups must be licensed charities in Florida and have existed for 20 years as a motorcycle safety “grassroots” organization with at least 1,000 members.

Under the new law, the DHSMV must select the three groups by Oct. 1, and enter into five-year contracts with them. The law directs the agency to “award the contracts pursuant to this act to eligible entities even if a sufficient number of qualified entities have not applied.” Payments are to be issued quarterly, with the first payment due on Oct. 1.
