

**ARC Living Memorial Fund
Contribution**

“A Gift that Impacts Seniors Today and for Years to Come”

Your TAX-DEDUCTIBLE CONTRIBUTION is greatly appreciated!

BUILD THE ARC 2023

The ARC Living Memorial Fund has determined the following priorities for charitable contributions to the 2023 Build the ARC Campaign. Fitness Programming Upgrades & Additions – Replace aging equipment and provide options that meet ADA specifications and install netting for Rec Room enhancement. Classroom Updates – Replace and upgrade aging countertops and equipment used for art and craft-related programming including storage and organizational equipment and a design wall to display in progress projects. Green Space Initiative – Phase Two will focus on adding finishes that will beautify the outdoor space and allow members to enjoy outdoor programs, including plantings and furnishings and program equipment. If you’d like to make a donation but don’t have a specific priority in mind, you may choose to donate toward general support and ensure that ARC can continue to make a difference for local seniors now and into the future as needs evolve.

DONOR INFORMATION

***If you plan to submit a matching gift request, please use
ARC Living Memorial Fund and the EIN 47-3277927 to request match***

NAME: _____ **PHONE:** _____
