

**ARC Living Memorial Fund
Contribution**

“A Gift that Impacts Seniors Today and for Years to Come”

Your TAX-DEDUCTIBLE CONTRIBUTION is greatly appreciated!

BUILD THE ARC 2024

The ARC Living Memorial Fund has determined the following priorities for charitable contributions to the 2024 Build the ARC Campaign. Fitness Programming Upgrades & Additions – Replace aging equipment and provide options that meet ADA specifications and upgrade protective fitness dividers for Rec Room enhancement. Classroom Updates – Replace and upgrade aging countertops and equipment used for art and craft-related programming including storage and organizational equipment. Green Space Initiative– Support green space upgrades and additions such as a shade structure to help make the space more usable and comfortable for presenters and participants. If you’d like to give a gift but don’t have a specific priority in mind, you may choose to make a gift toward general support and ensure that ARC can continue to make a difference for local seniors now and into the future.

DONOR INFORMATION

***If you plan to submit a matching gift request, please use
ARC Living Memorial Fund and the EIN 47-3277927 to request match***

NAME: _____ **PHONE:** _____
