Current Price Guide

Below is the current price guide for packages that are popular.

Please note that these are only a GUIDE. We have 40+ lenders available and every applicants profile is different therefore meaning interest rates and loan terms will vary impacting their weekly repayment.

The best interest rates currently start from 6.75% and over 7 years so this is what we have based the following on.

Note Below - "Price + Platform". There are different platforms out there, for the simplicity of the guide we have factored in \$1500 to go towards your platform of choice.

Ukon pricing fluctuates with exchange rates and depending on the Ukon supplement they choose, for the simplicity we have used a value of \$1200.

This document is for referrers only. NOT TO SHARE with leads.

They need to be educated around how this is an approx figure only. Interest rates vary from 6.75% to 20+% and loan terms vary from 2 years to 7 years, thus greatly effecting the repayment figure and it's to be treated as GUIDE and best case scenario only
