Increasing Diversity, Equity and Inclusion:

As a minority-owned company, Muter Construction understands the need for local, small, minority businesses to be provided an opportunity to participate in projects that will allow them to grow their company into a larger firm to be able to serve their community. As such, Muter is committed to maximizing the opportunities available to minority firms as we continuously seek qualified subcontractors and suppliers to join our team. Muter assists minority firms throughout the project, and we maintain high ethical standards in our business practices so that they will be able to learn, grow, and succeed. We offer the following to certified HUB, M/WBE firms:

- Flexible bonding and insurance requirements
- Quick pay agreements to all HUB-certified subcontractors and suppliers.
- Joint-check system to help HUB-certified firms purchase materials.

Should you have questions regarding these programs, please contact us.
