INDEPENDENT AUDITORS' REPORT

To the Members of
The Palace Rehabilitation and Care Center LLC

Opinion

We have audited the accompanying financial statements of The Palace Rehabilitation and Care Center, LLC (a limited liability company), which comprise the balance sheet as of December 31, 2023, and the related statements of operations and members' equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Palace Rehabilitation and Care Center, LLC as of December 31, 2023, and the results of its operations and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Palace Rehabilitation and Care Center, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Palace Rehabilitation and Care Center LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Palace Rehabilitation and Care Center LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Palace Rehabilitation and Care Center LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

THE PALACE REHABILITATION AND CARE CENTER LLC
(a limited liability company)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 – FORMATION AND DESCRIPTION OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and business – The Palace Rehabilitation and Care Center LLC was formed in the State of New Jersey on June 26, 2007 without a finite life. Effective September 7, 2007, the Company was licensed to operate a skilled nursing facility consisting of 165 beds in Maple Shade, New Jersey. The Company substantially earns its all of it's revenue by providing in house skilled nursing care to residents who live in the skilled nursing facility. The members of the Company are generally protected from liability for acts and obligations of the company. The Company leases land, building and rights to its license in Maple Shade, New Jersey, from a related party.

Basis of accounting – The books and records of the Company are maintained on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Cash equivalents – Cash equivalents represent short-term investments with original maturity dates of three months or less.

Restricted cash-patient funds – The Company adopted Financial Accounting Standards Board ("FASB") standard "ASU-2016-18, Statement of Cash Flows (Topic 230): Restricted Cash." This standard requires that restricted cash and restricted cash equivalents be included in beginning and ending cash and cash equivalents on the statement of cash flows.

Trade accounts receivable – Trade accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable. The valuation allowance decreased by \$8,000 at December 31, 2023.

Property and equipment – Property and equipment are stated at cost. Depreciation is computed by the straight-line method over the estimated useful lives of the assets. Expenditures for maintenance and repairs are charged to operations as incurred. Significant renovations and replacements which improve and extend the life of assets are capitalized.

Income taxes – The Company is treated as a partnership for federal and state income tax purposes and does not incur income taxes. Instead, its earnings and losses are included in the personal returns of the members and taxed depending on their personal tax situations. The financial statements do not reflect a provision for income taxes. The policy of the Company is to record interest expense and penalties related to income taxes in operating expense. For the year ended December 31, 2023, there was no income tax related interest or penalty expenses and no accrued interest and penalties.

In 2020, the State of New Jersey passed the Business Alternative Income Tax ("BAIT") Act. This law allowed LLCs to pay tax due on partnership earnings instead of on the individual owner's return. The tax rates are graduated and range from 5.675% to 10.9% of earnings. The Company recorded \$668 of New Jersey State BAIT income tax during 2023, which is included in distributions.

(a limited liability company)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 – FORMATION AND DESCRIPTION OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Leases – The Company adopted ASC-842 Leases. With adoption, the Company determined, which contracts conveyed the Company a right to control identified property, plant, or equipment for a period of time in exchange for consideration were deemed to be leases. The Company classified these contracts as Right-of-Use (“ROU”) assets. ROU assets and lease liabilities are recognized based on the present value of lease payments over the lease term with lease expense recognized on a straight-line basis.

Lease agreements may contain rent escalation clauses, rent holidays, or certain landlord incentives, including tenant improvement allowances. ROU assets include amounts for scheduled rent increases and may be reduced by lease incentive amounts. Using the transition approach, the Company elected to use the following practical expedients and, therefore, did not reassess any of the following: (1) whether any expired or existing contracts are or contain leases, (2) the lease classification of expired or existing operating leases and recorded them as operating leases and all existing leases that were classified as capital leases as financing leases, and (3) initial direct costs for any existing leases.

With implementation, the Company also elected the following practical expedients of (1) using the Company’s implicit borrowing rate (if available at the time of the lease origination); or (2) using a risk-free discount rate (US Treasury Rate) for the lease-derived ROU assets. ROU assets were treated separately from non-lease components of all asset classes. For leases utilizing the risk-free rate expedient, the Company elected to use a period comparable with that of the lease term, as an accounting policy election for all leases. The Company also made an accounting policy election to not record ROU assets or lease liabilities for leases with an initial term of 12 months or less and will recognize payments for such leases in its Statements of Earnings on a straight-line basis over the lease term. There were no residual value guarantees in any of the leases. The Company used hindsight in determining the lease term.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenues – The Company’s revenue is derived primarily from providing healthcare services to its patients. Revenues are recognized when services are provided to the patients at the amount that reflects the consideration to which the Company expects to be entitled from patients and third-party payors, including Medicaid, Medicare and other insurers, in exchange for providing patient care. The healthcare services are primarily for routine services in exchange for a contractual agreed-upon amount or rate. Routine services are treated as a single performance obligation satisfied over time as services are rendered. As such, patient care services represent a bundle of services that are not capable of being distinct. Additionally, there may be ancillary services which are not included in the daily rates for routine services, but instead are treated as separate performance obligations satisfied at a point in time, if and when those services are rendered.

(a limited liability company)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 – FORMATION AND DESCRIPTION OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue recognized from healthcare services are adjusted for estimates of variable consideration to arrive at the transaction price. The Company determines the transaction price based on contractually agreed-upon amounts or rate, adjusted for estimates of variable consideration. The Company uses the expected value method in determining the variable component that should be used to arrive at the transaction price, using contractual agreements and historical reimbursement experience within each payor type. The amount of variable consideration which is included in the transaction price may be constrained, and is included in the net revenue only to the extent that it is probable that a significant reversal in the amount of the cumulative revenue recognized will not occur in a future period. If actual amounts of consideration ultimately received differ from the Company's estimates, the Company adjusts these estimates, which would affect net service revenue in the period such variances become known.

Advertising – Advertising costs, except for costs associated with direct-response advertising, are charged to operations when incurred. The costs of direct-response advertising are capitalized and amortized over the period during which future benefits are expected to be received.

Guaranteed payments to members – Guaranteed payments to members that are intended as compensation for services rendered are accounted for as expenses of the Company rather than as allocations of the Company's earnings. Guaranteed payments that are intended as payments of interest on capital accounts are not accounted for as expenses of the Company, but rather, as part of the allocation of net earnings.

Government Grants – In 2022, the Company adopted ASU-2022-10, Government Assistance (Topic 832) Disclosures by Business entities about Government Assistance. The Company's accounting policy for government grants is to follow International Accounting Standards # 20 - Accounting for Government Grants and Disclosure of Government Assistance.
