ABOUT ME

**EVERY SONG STARTS WITH
A STORY.**

MY JOB IS TO TELL IT.

Oneisha Fate

I'm OFATE, an independent singer-songwriter, recording artist and entrepreneur from Savannah, Georgia.

I tell stories through music about love, loss, healing, growth and the experiences that shape us. My goal is to create records that feel honest, relatable and timeless.

In addition to my work as an artist, I am the founder of Fate-Ful Events and host of FFE's In The Mix Podcast. My growing catalog includes music featured in film and media, including my first sync placement with Sumo's World.

Whether on stage, in the studio or behind the pen, I'm committed to creating music that makes people feel something real.
