PLAYERS CODE OF CONDUCT

- Participate for your own enjoyment and benefit, not just to please your friends, parents and coaches.
- Play by the rules.
- Work equally hard for yourself and/or your team. Your team's performance will benefit and so will you.
- Be a good sport. Applaud all good plays whether they are made by your team or the opposition.
- Treat all participants in your sport as you like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coach, team-mates and opponents. Without them, there would be no competition.
- Respect the rights, dignity and worth of all participants regardless of their gender, sexuality, ability, cultural background or religion.
- Never argue with an official. If you disagree, have your captain, coach or team manager approach the official during a break or after the game.
- Control your temper. Verbal abuse of officials and opposition supporters, sledging other players or deliberately distracting or provoking an opponent are not acceptable or permitted behaviours in any sport.

PARENTS CODE OF CONDUCT

- Remember that children participate in sport for their enjoyment, not yours.
- Encourage children to participate, do not force them.
- Focus on your child's efforts and performance rather than whether they win or lose.
- Encourage children to play according to the rules and to settle disagreements without resorting to hostility or violence.
- Never ridicule or yell at a child for making a mistake or losing a game.
- Remember that children learn best by example. Appreciate good performance and skillful plays by all participants.
- Support all efforts to remove verbal and physical abuse from sporting activities.
- Respect officials' decisions and teach children to do likewise.
- Show appreciation for volunteer coaches, team managers, officials and administrators. Without them, your child could not participate.
- Respect the rights, dignity and worth of every young person regardless of their gender, sexuality, ability, cultural background or religion.

SUPPORTERS AND VOLUNTEERS CODE OF CONDUCT

- Remember that players participate in sport for their enjoyment and benefit, not yours.
- Applaud good performances and efforts from all individuals and teams. Congratulate all participants on their performance, regardless of the game's outcome.
- Respect the decisions of officials and teach all players to do the same.
- Never ridicule or scold a player for making a mistake. Positive comments are motivational.
- Condemn the use of violence in any form, whether it is by spectators, supporters, volunteers, coaches, team managers, officials or players.
- Show respect for your team's opponents. Without them, there would be no game.
- Encourage players to follow the rules and the officials' decisions.
- Do not use foul language, sledge or harass players, coaches, team managers, volunteers, opposition supporters or officials.
- Respect the rights, dignity and worth of every person regardless of their gender, sexuality, ability, cultural background or religion.

COACHES, TEAM MANAGERS AND OFFICIALS CODE OF CONDUCT

- Remember that players participate for pleasure and winning is only part of the fun.
- Never ridicule or yell at a player for making a mistake or not coming first.
- Be reasonable in your demands on players' time, energy and enthusiasm.
- Operate within the rules and spirit of your sport and teach your players to do the same.
- Ensure that the time players spend with you is a positive experience. All people are deserving of equal attention and opportunities.
- Avoid overplaying the talented players; the 'just average' need and deserve equal time.
- Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of all players.
- Display control, respect and professionalism to all involved with the sport. This includes opponents, other coaches, team managers and officials, the media, parents and spectators. Encourage players to do the same.
- Show concern and caution towards sick and injured players. Follow the advice of a physician when determining whether an injured player is ready to recommence training or competition.
- Obtain and maintain appropriate qualifications and keep up to date with the latest practices and the principles of growth and development of all players and young people.
- Any physical contact with a person should be appropriate to the situation and necessary for the player's skill development.
- Respect the rights, dignity and worth of every person regardless of their gender, sexuality, ability, cultural background or religion.
