

Paula,

Jan 23rd-23

I apologize for the delay, I have just received your letter.

Below is a list of Doctors that has treated me medically and not met my medical needs. They have covered up my health issues.

Approximately 10 days ago I was sent to health care for an emergency.

My body was filled/swallow

Dr. Ellis examined me and felt

He is playing with my health, something (more than sufficient treatment) needs to be done before more of us die.

Nurse Farini, RN

Nurse Terrell, RN

Ronnie Sorrow, (RSI)

Sarah Nevens, (SNI) RDH

Thomas Kwun, (TK) DDS

Sarah Byrd, (SB33) RN

DR. Sridharan, one of the doctors that covered up my health issues

D. McIntyre - a liar, untruthful

DR. Anahiet Tran, - told me I had to get out of this prison to survive my health issues. He did all he was able to do

Nurse Maria Porter could be contacted by her license number She is 100% aware of my issues

DR. Choi, Sunhwa - NOC/KAK - a doctor I saw for my health

Ethan Preston (EP3) NP - he is very aware of my issues

Teri Massey; (JRM/JRM) - is aware of my issues

Nurse Tinsley (H.U.M.) - from the beginning of my treatment until present day she continues to ignore my needs and health issues

Director Jones (of nursing, previously H.U.M.) She as Tinsley has mistreated me from the beginning til now. And covers up for the

Warden!

Enclosed is a clinical summary from Dr. Keith Rosement. That explains my asthma, allergies to/ from mold, rash, eye congestion, swelling and paracitosis

This Dr. MAOC sent me to, he requested treatment from MAOC because this doctor told the truth, MAOC will NOT send me back to him for treatment. Are you able to reach out to Dr. Rosement and help me obtain the health treatment I need?

Thank you so much for all of those who have helped. All your letters are so on point. Please tell everyone who wrote a letter, I said thank you so much for your support and caring!

I am receiving a lot of retaliation from the warden, Deputy Allen and Health care due to me speaking out on behalf myself and other women. I'm beginning to fear for my life.

Thank you
