

**CORPORATE PROFILE**

## ABOUT US

SKD Impex, based in Morbi, India, is a trusted name in the tile industry, boasting over a decade of experience in supplying premium ceramic, porcelain, natural stone, and mosaic tiles. We pride ourselves on providing exceptional products and services tailored to both residential and commercial projects. Our expertise covers every stage of the tile supply chain, from personalized consultations and innovative design services to rigorous production inspections and quality control testing. With a focus on precision and reliability, we ensure that every order is delivered safely, exceeding client expectations.

At SKD Impex, we are committed to delivering not just tiles but complete solutions that transform spaces. Through meticulous attention to detail and a deep understanding of the latest design trends, we help our clients bring their visions to life, whether it's for a modern home renovation or a large-scale commercial project. By blending tradition with innovation, we offer products that combine timeless elegance with contemporary design, ensuring that every space we touch is enhanced by the beauty and functionality of our tiles.

We also provide pre-shipment inspections and container loading checks to guarantee that our products are delivered in pristine condition, offering peace of mind with every shipment. Our dedication to quality, consistency, and customer satisfaction has helped us build lasting relationships with clients across the globe.

## VISION

At SKD Impex, our vision is to become a global leader in the tile industry by consistently delivering innovative, high-quality products that transform spaces and exceed customer expectations. We aim to be recognized for our commitment to excellence, sustainability, and design innovation.

## MISSION

Our mission is to provide our clients with superior tile solutions that blend style, durability, and functionality. Through a customer-centric approach, stringent quality control, and cutting-edge design, we strive to enhance living and working spaces worldwide while fostering long-term relationships with our partners.

## VALUES

- 1) Quality Excellence:** We are committed to maintaining the highest standards in every tile we supply, ensuring durability and precision in design.
- 2) Customer Focus:** Our clients are at the heart of everything we do, and we strive to deliver tailored solutions that exceed expectations.
- 3) Integrity:** Honesty, transparency, and ethical practices guide all our business interactions and operations.
- 4) Innovation:** We embrace creativity and modern trends to provide cutting-edge tile solutions.
- 5) Sustainability:** We prioritize eco-friendly practices and responsible sourcing to minimize environmental impact.
