

AF02 MG & CLASSIC CAR CLUB OF ROTHER MAY NEWSLETTER

The month got off to a splendid start with 10 cars displaying under our club banner at Magnificent Motors on the seafront at Eastbourne, including several MG's along with some of our other classics. After weeks of rain, we were blessed with glorious sunshine on the Saturday of the show, luckily someone had remembered to bring along the sunscreen. The good weather certainly attracted the crowds.

Chris organised a ROOG and once again we were fortunate with the weather, starting at Blackbrooks's for coffee and finishing at the Blackboys Inn for a lovely pub lunch.

Several other events were attended by members during the month including the Ford Classic Car show at Ardingly, MG 100 at Brooklands and Brands Hatch Masters.

The club would like to extend a warm welcome to our new member Steve who joins us with his MBG Roadster and several other classics.

Looking forward to a busy summer and some decent weather.
