

**AF02 MG & CLASSIC CAR CLUB OF ROTHER  
MARCH NEWSLETTER**

**March saw the last of our Saturday morning meetings. In April we will revert to evening club meetings as the nights are getting lighter. Unfortunately, due to inclement weather this month our classics did not come out to go on a prearranged run. A group of our members met up for a Greek Meze meal organised by Gill and Steph at a pub in Rye and the evening was enjoyed by all those who attended. We are looking forward to an array of car shows that we are booked into starting with Magnificent Motors Eastbourne in early May.**
