

MG & CLASSIC CAR CLUB OF ROTHER FEBRUARY NEWSLETTER

The February meeting was again held on a Saturday morning and this month a new chairman Pete took the meeting. We ran through upcoming major events including this year visit to Brands Hatch to see MG Fest, the Masters racing and a trip to watch the World Endurance Championship. Terry suggested a visit to a local racing simulator which was greeted with great enthusiasm. Several members went to a new Sunday morning breakfast meeting held at Aubrey Halls in Rye, despite the poor weather there was still an impressive turnout and looks like proving to be a popular event We will be visiting four Major car Shows this year as a club and are already booking the spaces, as well as a few more local ones.

If you are reading this and would like to join give our Secretary Steve a call. We are a friendly lively group and would look forward to meeting you.
