

## AF02 MG & CLASSIC CAR CLUB OF ROTHER APRIL NEWSLETTER

**The month began with a few cars attending the first Wheels on the Waterfront breakfast meet at Sovereign Harbour of the year.**

**Several cars including MG's a Morris Traveller, Capri and a Morgan had an enjoyable trip to Dungeness on National Drive It Day for a brunch at the End of the Line Restaurant where we met up with friends from another local classic car club. A few light showers and a bit windy but otherwise the weather was not too bad although it was roofs up for the return journey.**

**Unfortunately, the monthly cinema club was cancelled due to the lack of a suitable film it being the half term holidays.**

**The month ended with a well-attended ROOG organised by Terry and Joy starting as usual from Blackbrook's Garden Centre finishing up with lunch at the Peacock Inn near Goudhurst.**

**We are looking forward to May bank holiday weekend with the first big car show of the season Magnificent Motors at Eastbourne.**
