DECEMBER NEWSLETTER**

**2023 has been a busy and successful year for the club, welcoming some new members and new vehicles. Apart from the monthly ROOG's the club attended several car shows, winning best Club display at the Appledore show. Other activities included visits and charity quiz nights. The highlight of the year was a four-day trip to Suffolk/ Norfolk borders. The year ended with a fantastic Christmas lunch at a local Hotel. All club members are looking forward to the new year and with trips and car shows already being planned. January kicks off with our AGM and a ROOG weather permitting.**
