

AF02 MG & CLASSIC CAR CLUB OF ROTHER JULY NEWSLETTER

Steph and Mabel with the Trophy

The month began with the usual cinema club at the Rye Kino arranged by Paul and Jeanette. The monthly club evening at the Broad Oak was not as well attended as normal due to holidays and illness.

Several members attended the Appledore Vintage Vehicle on the 21st which was bigger than last year with a vast range of vehicles on display. Following on from last year when we won the best club display award, we had individual success this time with Mabel Steph's convertible Morris Minor winning the best of show vehicle award.

Gilly and Ken organised this months Roog which started as usual from Blackbrook's with a pleasant drive through Kent ending up at the Castle Inn at Bodiam for lunch. There was an observation quiz which was won by Jackie and Ian.

Another event attended was the Ashburnham Country Show, a much smaller local event but was enjoyed by those who attended. A good family day out with classics and agricultural vehicles on display. The club would like to welcome Jaqui and Lorraine as new members.
