

AF02 MG & CLASSIC CAR CLUB OF ROTHER AUGUST NEWSLETTER

August is the busiest month for local car shows. The first show was the Rye and District Country show which raises money for a local hospice. The club had 12 cars on display making up over 150 vehicles in total on show. There was also horse and dog shows and tractor driving competitions. The cloudy weather didnt seem to deter large crowds from attending.

A few club members attended the Old Hooe old Motor Show with many vintage and classic vehicles on display.

Another well attended show was the Waldren Classic Car show. The Bexhill 100 show on Bank Holiday Monday is by far the biggest in the area with over 500 cars on display. The event raises money for local charities and the brilliant sunshine ensured a great turnout and it is hoped the event will break the sum of £200k raised over the 20 years it has been running.

Gill and Steph organised a ROOG which started from Bodium Boat Station, with a well-planned scenic route that ended at a quirky restaurant near Penshurst called Kingdom for Brunch.

At the club meeting it was proposed that we trail having Saturday breakfast meetings during the winter months. We are also planning to have a Christmas meal at the Kings Head in December.
