

## **AF02 MG & CLASSIC CAR CLUB OF ROTHER APRIL NEWSLETTER**

Nine vehicles from the club took part in the FBHVC National Drive It Day, the first major outing for the club this year. Meeting at a local garden centre for breakfast the cars then followed a route planned by Chris through the East Sussex countryside. Unfortunately, Mark was unable to get his MGA started so came long in a rather lovely 1986 Mercedes Convertible, not a bad car to have as a backup. Sue came along in her newly acquired brightly coloured Citroen 2CV. The brilliant weather certainly brought out the classics, passing many en-route before arriving at our destination of the The Six Bells Pub in Chiddingfold for refreshments where there was an impressive gathering of vehicles of all descriptions including motor bikes to celebrate Drive it Day.

At our monthly club meeting Stuart informed us that he was now the proud owner of a Rover P6 which was currently having some work done on the upholstery so we will have to wait a little while before we can see it in the flesh.

The month ended with a bluebell walk organised by Gilly and Ken for the fitter members of the club. Setting off from Sedlescombe Vineyard, 3 miles through the surrounding woods and countryside. We are now looking forward to the first major car show of the
