

TRADE LEADS UK

TERMS & POLICIES

Human-led construction support, lead generation, tender pricing, procurement and consultancy services

Website Terms of Use

The Trade Leads UK website is provided for general business information only. Website content does not amount to legal, financial, tax, insurance, procurement, engineering or professional advice. Service descriptions, prices and examples are subject to change and should be confirmed in writing before purchase.

Users must not misuse the website, attempt to access systems without permission, submit unlawful content, copy content for commercial use without permission or rely on website wording as a guarantee of results.
