Dear Corinne,

Thank you very much for our conversation and for sharing with me the materials for the Vocation Action Network. The materials are theologically sound and I have no objection to their use in our parishes. This is a much-needed initiative for our local Church and I hope that many parishes will take you up on your offer to support them in offering these holy hours for vocations.

I understand that your efforts for vocations includes vocations to the priesthood, the consecrated life and holy matrimony. I also understand that your offer to assist parishes in cultivating these vocations does not involve any kind of recruitment specifically for Regnum Christi or the Legionaries of Christ. I am grateful to Regnum Christi for putting yourselves at the service of the universal mission of the Church, and in particular, the mission of the parish to generate lasting fruits for God in the form of holy priests, holy religious and holy marriages.

May the Lord bless and make fruitful your efforts here in Philadelphia.

Yours in Christ,

Meghan Cokeley  
Director
