We are so thrilled to have Kirk R. Brown come to speak with us. Kirk entertains and educates audiences of business owners, garden clubs, and history lovers with his energetic and passionate, horticulturally-related presentations. His personifications of John Bartram and Frederick Law Olmsted are electrifying. Kirk is working on a new presentation, especially for this meeting, inspired by Milford, PA: The Birthplace of Conservation, Gifford Pinchot, Theodore Roosevelt, and Frederick Law Olmsted.
