

A vast field of sunflowers stretches to the horizon under a dramatic sunset sky. The sun is low on the right, casting a warm, golden glow over the scene. The sunflowers are in various stages of bloom, with bright yellow petals and dark brown centers. The sky transitions from a deep orange near the horizon to a soft purple and blue at the top.

NANCY'S NEWS

Welcome to the first edition of "The First Bloom!" our District I newsletter. This quarterly newsletter will showcase events in which our nine District I clubs have participated, interesting information, and a calendar of upcoming activities and events that are open to the public.

This first issue includes a recap of the Presidents' reports because when they are read at the annual luncheon, so many wonderful ideas are difficult to remember. Here we can all read about what activities and fund raisers that each club sponsors so that we can learn from one another to better our clubs and to support one another.

There are many impressive things going on in District I, which is the result of some incredibly talented members who are willing to share their talents. My goal for our district is that the presidents can get to know one another, exchange ideas and take fresh approaches back to their respective clubs.

The theme for:

(NGC) National Garden Clubs is
"Plant America – Play Outdoors"

(CAR-SGC) Central Atlantic Region – State
Garden Clubs is
"Plant America – Let's Get Growing"

(GCFP) Garden Club Federation of PA is
"Watch us BLOOM"

As garden club members, you are all members of these organizations. As I see the public

gardens that our clubs maintain, the beautification projects, the civic-minded activities, and educational experiences for adults as well as children, I think that District I has embodied these principles and will continue to do so.

As the days begin to shorten and the air becomes crisp and chilly, I hope that you will enjoy dividing those perennials, and planting your spring bulbs. Dahlias and sunflowers, in their vibrant splendor, welcome us in to fall.

I leave you with my sunflower oil painting that I did for a friend. May it bring you some autumn joy.

DISTRICT I MEETING AND LUNCHEON

Congratulations to The Country Gardeners for hosting a fabulous District I luncheon with rustic charm. Many thanks to Chair Janet Fassbender and her team for a most enjoyable event. Presidents gave reports of the wonderful things their clubs are doing. Each club designed and donated centerpieces for the tables.

We are grateful to Maryann DeSanto for her leadership as District Director for the past two years through the pandemic. She is District I royalty!

Janet Fassbender
Luncheon Chair

Nancy Cuttic, Incoming DD

CLUB NEWS

GARDEN CLUB OF BALA CYNWYD

The club members visited Eleanor Tickner's Peony Farm, the Historic Andalusia Biddle Estate overlooking the Delaware River and FDR park for a tour of trees planted by John Study of Bartlett Trees.

One member hosted a horticultural workshop entitled "Delving in Daffodils." A second workshop was held outside where members made 3 concrete pumpkins of different sizes to be displayed separately or for stacking. For the last board meeting of each year, members bring plants for a swap, lunch and dessert to be shared.

This past month, the club was a first-time sponsor for the Long-

wood Flower Show and sold concrete garden items at the Harriton House.

Bala Cynwyd welcomes all to visit their Harvest Moon Flower Show from October 21-23 at the Ludington Library, 5 South Bryn Mawr Avenue, Bryn Mawr.

THE COUNTRY GARDENERS

The small group of active members did an incredible job organizing the District I luncheon as well as the outstanding Longwood Flower Show with Janet Fassbender as Chair, both held in September.

COUNTRY GARDENERS Continued

The club's most popular program each year is the Horticulture Therapy work with residents of Fair Acres Geriatric Center, but because they could not visit them, the members created spring bulb gardens that were delivered to them.

The Country Gardeners will dedicate a new Blue Star Memorial By-Way Marker at the Pennsylvania Veterans Museum at 12 E. State Street in Media, PA, prior to the Veterans Day Parade on November 11, 2022, at 10:15 a.m. Judith Rehm is leading this project for The Country Gardeners.

The Blue Star program began in 1944 with the planting of 8,000 dogwood trees to honor veterans of WWII, and today it continues to honor all men and women that serve in the United States Armed Forces. It is sponsored by the National Garden Club, Inc. and more information can be obtained on the NGC website. (www.gardenclub.org).

Kudos to Elverson GC for recruiting new members and increasing their membership by 25%! They also initiated a Penny Pines collection.

The environment, horticulture, floral design, history and the arts have all been explored by their monthly speakers. Members enjoyed their annual picnic in a member's garden.

ELVERSON Continued

Members enjoyed a holiday wreath making workshop in December, served on the GCFP convention committee, and participated in the Philadelphia Flower show. Eleven members entered and won four blue ribbons, one best of blues, one 2nd place and two 3rd place awards. The make-and-take leaf pounding workshop was a club favorite. Elverson members also participated in the Longwood Flower show this September with Wendy Fox as Vice Chair who will then chair the 2023 show.

Keith Simonetti,
Barry Sawtelle, Laura Alden

Wendy Fox, EGC Floral Design Workshop presenter

FOUR SEASONS GARDEN CLUB

March saw members visit greenhouses in Lancaster for their "Spring Fling" followed by their initiation banquet in March.

The club supported the replanting of the Butterfly Garden in Anson B. Nixon Park, which was overrun with weeds prior to the pandemic. The club also supports the Tri-State Bird Rescue, which is a great tour for clubs.

FOUR SEASONS Continued

Members did a lot of planting including salad bowl planters and the Kennett Square summer barrels. In May they held their Kennett Beautification Plant Sale at Pratt's Greenhouse followed by a plant swap at their May meeting. In August they enjoyed their annual picnic at a member's garden.

This fall, Four Seasons will make arrangements in pumpkins, do challenge arrangements to be critiqued and will make Christmas arrangements for retirement and nursing homes. Their Centerpiece workshop in December is open to the public.

Four Seasons Garden Club will be conducting a Holiday Centerpiece workshop on Saturday, December 3, at the Episcopal Church of the Advent in Kennett Square. The cost of \$40 includes all supplies needed to create a centerpiece of freshly cut assorted greens. It also includes container, ribbon and holiday embellishments. A hot breakfast cooked by members begins at 9:30 followed by workshop. Limited to 30 participants. E-mail Linda Southerling at lsfleur1@hotmail.com for a registration form.

SPADE AND TROWEL CLUB

Spade and Trowel is proud that Sue Soraruf, who has been a member since 1986, was awarded the 2022 District I Perennial Bloom award for her leadership, involvement and enthusiasm.

A new scholarship was created in the amount of \$1000 for a graduating senior from Kennett High School who will pursue studies in Horticulture or Environmental Science.

Some members were involved in the GCFP convention and made the centerpieces for the Monday dinner. The club participates in the following projects such as landscaping local flower beds, and providing flowers and arrangements for community affairs.

- Maintaining the herb and kitchen garden at Barns Brinton House in Chadds Ford
- Making holiday arrangements for those using Heartland Hospice Services
- Helping children make flower arrangements at the YMCA Montessori School Head Start
- Making floral arrangements for the Brantwyn Classic to benefit the Kennett Symphony
- Tree sapling give aways for Arbor Day
- Along with Four Seasons GC, participating member of the Kennett Square Beautification Committee.

S & T Members at the Installation of Officers Luncheon

SPADE AND TROWEL Continued

Spade and Trowel was a sponsoring club of the Longwood Flower Show, and they hope to compete again in the Philadelphia Flower Show and have requested to enter the Window-sill Design Class.

This winter, members will create holiday greens, paperwhites, amaryllis and holiday floral designs to be sold at The Creamery on Birch Street in Kennett Square on December 3 and 4.

THE GARDEN CLUB OF SPRINGFIELD

The club celebrated their 90th anniversary with a luncheon. They rededicated the Garden of Hope where they planted more native plants and added two plants in memory of two members who passed away. A Christmas Tea was enjoyed by members in December.

The club maintains three community gardens and participates annually in the Arbor Day activities, which includes the donation of and planting of a tree. They decorated a window of the township library to increase club visibility.

Spring Arbor Day Activities

SPRINGFIELD Continued

A mini flower show was held to encourage members to enter the Longwood Show and to provide direction for those planning to enter.

Their Horticulture Therapy Program continued as members made flower arrangements and cards that were delivered to residents of a local nursing home.

Despite heavy rain, the annual plant sale was a success, and the club was able to present a scholarship to a Springfield High School graduate who demonstrated an interest in environmental/horticulture studies.

Members enjoyed a trip to Laurel Hill Cemetery and concluded the year with a luncheon and installation of new officers.

UWCHLAN GARDEN CLUB

The club held its biannual flower show, which was well attended. They hold their meetings, plant sales, fairs and club related events at the 1756

Uwchlan Meeting House, a registered National Historic site. They fund the conservation trust

UWCHLAN Continued

and maintain the cemetery, building and surrounding gardens.

The annual Christmas fair raised over \$10,000 and over 75% of their members contributed in some way. They sold over 50 wreaths, 100 plus indoor and outdoor arrangements, jams, jellies, baked goods, a sleigh, decorated skis and skates and also had a raffle.

Members enjoying a pop-up-garden tour

Uwchlan members contributed to the annual GCFP convention with three presenters, a vendor and many volunteers.

The annual May plant sale also raised over \$10,000, despite hurricane-like conditions. Members sold perennials from their gardens, indoor and outdoor arrangements, fresh floral bouquets and donated garden items. The Kids' Corner was also a success.

VILLANOVA GARDEN CLUB

Our members began the year with a walking tour of Chanticleer followed by a "boxed tea" purchased from A Taste of Britain. We enjoyed a Zoom presenta-

tion by Doug Tallamy and a fall splendor walking tour of Jenkins Arboretum that was like a scene from Brigadoon.

VILLANOVA Continued

A nephew of one of the members is the head landscaper at Winterthur. He answered all questions, and we enjoyed lunch in their cafeteria.

COVID restrictions intervened with our holiday workshop and luncheon of making arrangements for Meals on Wheels at Appleford. Prior to the event, we have a decoupage workshop to create small pots to contain the arrangements which resemble small Christmas trees.

A workshop to create decorative hats was held at Studio Flora in Berwyn. The results were amazing and one of our hats is on the cover of our new yearbook. For the GCFP annual convention,

a team of six created 30 centerpieces with a Beatrix Potter theme gleaned a lot of information about her along the way. Member Meg Cave created all of the 300+ name badges for "Celebrating Nature's Masterpieces."

A walking tour and lecture at Haverford College Arboretum was inclusive and informative. They are really addressing the future while respecting the past. Our workshop for creating table arrangements for the dining room and reception area for Ronald McDonald

VILLANOVA Continued

House were limited due to COVID restrictions so member Jane Carton created an arrangement for the reception area.

We enjoyed a slide presentation of *Gardens Around the World* by Claire Sawyers, Director of Scott Arboretum followed by a personal tour by Claire and a boxed lunch. In June we enjoyed a walking tour: Garden Layering at Brandywine Cottage. David Culp, nationally known instructor, horticultural lecturer and writer gave an inspiring tour of his two-acre hillside garden which is a local treasure. A lunch was then enjoyed at Amani's BYOB in Downingtown.

September this year began with a fascinating guided walking tour by Robin Rick, Director of the Woodlands, a Victorian cemetery and arboretum, which was followed by a VGC hosted picnic on the premises.

WAYNE WOODS GARDEN CLUB

The club is proud of members Libby Espey who was awarded the 2022 GCFP Horticulture Excellence award and Myrtie Musetti who was awarded the 2021 District I Exceptional Horticulturalist award.

A big thank you and congratulations to members Nancy Cuttic and Ellen McGarrigle for chairing a fabulous GCFP annual convention in Malvern.

WAYNE WOODS Continued

Wayne Woods has won many awards recently for their programs, website, yearbook, newsletter and community beautification.

Sadly, the club lost a treasured member, Doris Petty, who joined WWGC in 1962 and was an active member for sixty years.

Ongoing projects include the following:

- Blue Star Marker Garden – the very first in District I – on the Best Western property across from the King of Prussia Mall on the corner of Rt. 202 and South Gulph Road
- Old Roberts Historic One-Room Schoolhouse gardens
- In conjunction with NGC Plant America theme, McKaig Nature Education Center barrels located at the entrance are planted with seasonal flowers.
- Holiday decorating of the Roberts Schoolhouse and Blue Star Marker with wreaths and swags made by members
- Meals on Wheels floral arrangements made to accompany food items delivered to those who are homebound

This year, the club will be contributing to Penny Pines, as well as always sponsoring Jenkins Arboretum and the Upper Merion Park and Historic Foundation. Also this year members will make and donate centerpieces

WAYNE WOODS Continued

for a fund-raising benefit for Ryan's Cases for Smiles. This organization works to help children and families with the stress and emotional impact of childhood illness.

There will be two fund raising and recruitment events where baked goods, seasonal decorations, fresh arrangements, etc. will be for sale:

- Fall Festival held at Heuser Park
- Holiday Village at the Upper Merion Township building

Upcoming events include a presence at the Upper Merion Farmer's market this fall to recruit new members.

POSSIBLE 10TH GARDEN CLUB FOR DISTRICT I

Four members of the Covered Bridge Garden Club attended the District Luncheon. They have expressed interest in learning more about joining the GCFP and, therefore, becoming a member of District I.

We welcomed them to our luncheon to experience the event and hear about the exciting projects and activities that take place in our district. GCFP President Sheila Croushore, 1st VP Leeanna Ryba and 2nd VP Pat Wolanski stayed to meet with them and answer questions about the Federation. It is my hope that the January District I newsletter will include the Covered Bridge Garden Club.

Awards Information

The next major awards deadline is December 1, 2022. There is a wide array of awards offered to recognize your members, projects or club. Be sure to check the GCFP website for all of the up-to-date awards docs and information.

<https://pagardenclubs.org/awards>

Download the Awards Manual, the Deadlines doc, the Awards Summary, Awards Application, Formatting Guidelines and Cover Sheet (fillable).

The Awards Summary document gives you a detailed overview of the application process, award categories offered, scoring rubrics and much more. Many applications require an electronic submission. Be sure to follow the suggestions accurately, and complete the cover application completely to ensure your submission will be accepted.

Club sizes are now consistent with NGC club sizes:

S	1 - 20 members
M	21 - 50 members
L	51+ members

Note that the **Forget Me Not** award is on hold until 2023.

NATIONAL GARDEN CLUBS AWARDS

To further boost your submissions and to be eligible for more awards, be sure to download the NGC Awards Manual at <https://gardenclub.org/awards-and-grants>
