Dear GCFP Friends,

It is time to plan the exhibits for the April 7<sup>th</sup>- 9<sup>th</sup>, 2024 Garden Club Federation of Pennsylvania Convention. It will be held at the Double Tree Resort by Hilton, 2400 Willow Street Pike, Lancaster, PA 17602. Convention activities will commence on Sunday, April 7, 2024 and come to a close on Tuesday, April 9, 2024. Please consider designing an exhibit for display.

The goals of the exhibits is to showcase GCFP and its committees, disseminate information about garden club activities to other clubs, provide educational opportunities to learn about garden-related topics, or memorialize notable garden club members who have passed away. Check out the included Exhibit Guidelines for additional information.

Exhibit tables will be 6 feet in length. You may use the entire table or may request a smaller space, half of a table, three feet in length. The exhibit will be displayed in an open area that cannot be locked when the convention is not in session.

If you wish to display an exhibit, please complete the Exhibit Response Sheet that is included in this mailing. Responses are due by Monday, January 15, 2024. You may respond by mail or email. Space is limited, so don't delay.

Feel free to share this invitation with any interested parties. Exhibits are a wonderful way of sharing new and exciting ideas. Please contact me if you have any questions or concerns.

Sincerely,

Georgieann Dettinburn, GCFP 2024 Convention Exhibit Chairman
