Federation of Pennsylvania

PLANT PENNSYLVANIA Grant Program Application

Submit to the Advisory Council Chair Leeanna Ryba rybar@nb.net

Deadlines for the next three Presidential terms:

October 1, 2026

October 1, 2027

October 1, 2029

Program Overview

The Garden Club Federation of Pennsylvania is pleased to introduce the **PLANT PENNSYLVANIA Grant Program**, a statewide initiative that provides financial assistance to GCFP member clubs for new and ongoing projects that enhance Pennsylvania's communities through environmental stewardship, civic beautification, conservation, and educational gardening.

The purpose of the program is to encourage innovation for sustainable projects that improve local environments while increasing public awareness of The Garden Club Federation of Pennsylvania and its mission. Through this initiative, GCFP seeks to support projects that educate the public, inspire community involvement, and create lasting environmental benefits throughout the Commonwealth.

Grant Award

The program allows for grant applications every two years. The number and amount of grants awarded will depend upon the quality of applications and available funding.

2026 - minimum of \$2,500

2027 - minimum of \$5,000

2029 - minimum of \$5,000

Eligibility

Applications may be submitted by any club that is a current member in good standing of The Garden Club Federation of Pennsylvania.

Projects should:

- Benefit the public or the local community
- Promote environmental responsibility
- Support civic beautification
- Encourage conservation of natural resources
- Include educational or horticultural components when appropriate
- Demonstrate long-term sustainability and maintenance
- Increase visibility and awareness of GCFP and its mission

Examples of Eligible Projects

Grant funds may be requested for projects such as:

- Pollinator and native plant gardens
- Community gardens
- Public landscape improvements
- Tree planting initiatives
- Habitat restoration projects
- Rain gardens and stormwater mgt. projects
- Butterfly or wildlife habitats
- Educational demonstration gardens
- Garden-based educational programs
- Conservation or environmental education initiatives
- Beautification of parks, libraries, museums, schools, veterans' memorials, or other public spaces
- Community workshops promoting gardening, conservation, or environmental stewardship

These examples are intended as guidance and are not intended to limit creative project proposals.
