On behalf of the Garden Club Federation of Pennsylvania (GCFP), I am excited to introduce our Healing Arts Program to Healthcare facilities or school name. Studies increasingly affirm the positive effects of nature-inspired art in healthcare and school settings. By donating a garden-themed photo or painting, we hope to bring the beauty of tranquility of Pennsylvania's landscapes to your patients, staff, students, and visitors, fostering a sense of peace and inspiration.

We would love to collaborate with you to ensure the art piece aligns with your facility's vision. A brief dedication can also be included to honor the healing environment or area you provide.

I would be happy to discuss this further at your convenience. Please let me know a good time to connect. I can be reached at Home phone: 610-432-3313 or cell: 484-225-7449 email me : barbarac45@aol.com.

Looking forward to the possibility of working together.

Best regard,

Barbara Campbell
