# *Welcome to our* **Corporate Volunteering Program**

We'd love to welcome your team to our Bendigo warehouse for a day of workplace volunteering!

## **Why volunteer with us?**

Our corporate volunteering program offers your team a rewarding opportunity to step away from the office, work together, and make a tangible difference. It's a chance to:

- Strengthen team bonds
- Gain a deeper understanding of community needs
- Leave knowing you've directly supported vulnerable families

## **What does a volunteer day involve?**

During your time with us, your team may:

- Pack essential items for children – including clothing, toys, and toiletries
- Clean and prepare donated items such as cots, prams, high chairs, and car seats
- Greet and thank donors dropping off items
- Assemble new equipment like prams

You'll also hear stories from the families we support, witness firsthand the gratitude of caseworkers collecting items, and see the real impact your efforts make.

Are you and your team looking for a meaningful way to give back?

Want to strengthen your team's connection while making a real impact in the local community?

## Extend your impact

Want to do even more? Here's how your team can maximise their contribution:

### Workplace giving

Organise a fundraising initiative at work to support Sunshine Bendigo. It's an easy way to make a big difference.

### Donate items

Collect much-needed consumables like nappies, wipes, and toiletries before your volunteer day. Bring them along or run a donation drive in your workplace.

### Make a financial contribution

Every dollar helps us continue supporting thousands of babies and children each year. We're incredibly grateful for any financial support your workplace can provide.

### Join us – make a real difference

Volunteering with us is more than just a day out of the office. It's a chance to connect, contribute, and create positive change in the lives of local families.

**We can't wait to welcome you and your team!**
