

Financial Services Guide

This Financial Services Guide (FSG) is an important document which we are required to give you under the requirements of our Australian Financial Services Licence. It provides you with information about PGW Financial Services Pty Ltd to help you decide whether to use the financial services we provide. This FSG explains the services we can offer to you and the types of products we offer. It also explains how we (and other related persons) are remunerated for these services, and includes details of our internal and external complaints handling procedures and how you can access them. PGW Financial Services Pty Ltd authorises the distribution of this FSG.

If you choose to use our services you may also receive from us a Product Disclosure Statement (PDS), Statement of Advice (SOA) and/or Record of Advice (ROA).

To invest in any of our recommended financial products you must complete the application form attached to the relevant PDS. The PDS contains information about the particular product and will assist you in making an informed decision about that product.

If we provide you with personal financial product advice rather than general financial product advice we will initially provide you with an SOA. Personal financial product advice is advice that takes into account one or more of your objectives, financial situation and needs. The SOA will contain the advice, the basis on which it is given and information about fees, commissions and any associations which may have influenced the advice.

On an ongoing basis, an ROA will be provided instead of an SOA if there have been no significant changes in your personal circumstances or the basis of the advice has not significantly changed since your last SOA was provided. You have the right to request a copy of your ROA at any time.

We will not provide advice on classes of financial products other than those identified in PGW Financial Services Pty Ltd AFS Licence.

PGW Financial Services Pty Ltd is responsible for the advice provided and services offered to clients by an Authorised Representative of PGW Financial Services Pty Ltd.

Lack of Independence

PGW Financial Services Pty Ltd is not independent, impartial or unbiased because we: receive commissions for the advice we provide on life risk insurance products and may act in or hold positions where a payment is received where you may be invested.
