

How is my offering utilized?

- Helps to feed our children God's Word through our wonderful Sunday School program.
- Allows us to hear the beautiful organ in the capable hands of our organist.
- Helps provide music and educated instruction via our choir director to guide our talented choir in song.
- Allows us an administrator so church functions go uninterrupted in supporting God's work in our community.
- Helps our building stay standing by allowing preventative maintenance.
- Allows us to support the following local organizations who meet weekly in our building: Al-Anon, NA, AA, Jazzercise, Holy Covenant Church & NCOSPS.
- Supports the work of the wider Church beyond our walls, changing people's lives through denominational programs. You can read more at: www.livinglutheran.org/StoriesofFaith
