

# PARTNERS IN THE GAME

SHAW SPORTS TURF + GTR TURF

## A WINNING PARTNERSHIP

---

**A partnership between GTR Turf and Shaw Sports Turf gives you expertise in selecting the artificial turf field of your choice and the peace-of-mind of knowing that it will be installed correctly and to the highest industry standard.**

**GTR Turf**, a company focused on innovation through providing a new generation of synthetic turf sports fields that will significantly improve the quality of play, performance and the safety of athletes.

GTR Turf, based out of Quebec, Canada, is committed to installing ecological sports fields that are healthier and safer. They strive for a better balance between the athletes, the environment and the requirements of each sport.

Since 1998, GTR Turf has established a policy of excellence in each of their projects, with more than 1,000 sports fields installed worldwide from amateur sports to professional sports. Their strategic goal is to maintain high quality standards in each of their facilities and implement their knowledge, experience, expertise and the best practices gained from elite installations for the NFL, MLS, CFL, NCAA and FIFA.

GTR Turf continues to invest in their people so they can attract the best talent available while also offering the best quality of synthetic turf and unique products from Shaw Sports Turf.

**Shaw Sports Turf**, a Berkshire-Hathaway company, is committed to operating by the highest ethical standards at all times. Trust is at the center of everything Shaw Sports Turf does. In fact, the company's core values, which they live every day, are honesty, integrity and passion.

The Berkshire-Hathaway name is also a reassurance that Shaw Sports Turf is going to be here tomorrow. Their business is solid and they aren't going anywhere anytime soon. Shaw Sports Turf is the largest company in the synthetic turf industry which is both, American-owned, and offers products that are made in America.

Shaw Sports Turf has demonstrated industry leadership in both quality and innovation for more than two decades with over 3,000 successful installations, and an impressive list of high-profile installations, including the Baltimore Ravens, Cleveland Browns, Georgia Tech, University of Arkansas and many others. Engineered for performance and safety, Shaw Sports Turf features a product line designed specifically to meet the needs of athletes and sports programs.
